Farming For Profit...

Every Farmer should keep these three words constantly in mind and conduct his farm on strict business principles. Guess work and haphazard methods are no longer used by successful and up-to-date farmers.

By reading THE WEEKLY SUN, the Farmer's Business Paper, you will get the very latest and most accurate information regarding your business.

THE SUN'S market reports are worth many times the subscription price to you.

Every Farmer in Canada should realize the full value of the service THE SUN has rendered him in a public way. It was due to the action of THE SUN in giving voice to the opinions of the farmers that the law relating to cattle guards, drainage across railways, and farm fires caused by railway locomotives has been amended.

We will send THE WEEKLY SUN from now to 1st January, 1905, in combination with

The 'Standard', for $1.80.
