CATTLE MARKET

Toronto, Doc. 22.—There was not a leavy run of cattle at the City Cattle Market to-day, but there was apparently enough offering for the requirements of the market. Buyers have been pretty well supplied past two or three months, and some of them have about filled up. The receipts, were 59 londs, with 756 head of cattle, 1,150 sheep and lambs, 900 hogs and 28 calles.

over that figure, except for voly volunteer force in Iroland was raised little was brought out other choice fancy stock.

ier, though some good prices were British Government did not support paid for fancy cattle Some very choice cattle were sold however, on Ireland was greatly dismayed, alwhich money was lost by the ship-though all the volunteers were Protpers, one very choice load, for ex-estants. The present sanction can ample, solling at \$4.70, which cost be traced to the splendid services of in the country about \$5. Good to the Irish regiments in South Africa, choi e butche:s' cattle were selling and the improved political relations at \$4 to \$4.25.

Stockers—Heavy feeders and good light stockers are about steady, with a not very active cemand. Sheep and lambs-Market steady for sheep; lambs firm.
