# JAPS WERE VICTORIOUS

## Drove Russians Before Them in Advance on Chong-Ju.

JAPS MARCHING ON. from Scoul says that after Russians before them. The latter and Siam. still occupy positions north of the Alluding to the contemptuous attifantry who were trying to advance north of the river were ambushed by Cossacks and destroyed. The correspondent says he doubts this report main Japanese army is steadily following its advance guard northward from Ping-Yang, taking immense

FORCES ENGAGED. The Echo de Paris has a despatch from St. Petersburg which the Japanese numbered 2,000 ju engagement. The two forces were only 600 yards apart in the

CASUALTIES WERE FEW. The Japanese Legation at London has received the following official between Japanese and Russian forces at Chong-Ju, Corea, Monday :-'On March 28 a portion of our cavalry and infantry forces occupied Chong-Ju after defeating the enemy.

The enemy, who numbered about 600 men, retreated in the direction of Our casualties were Lieut. Kano and four others killed; Captain Kurokawa and twelve others There were no casualties among

our infantry. Two dead bodies were left by the enemy on the field, but it is reported that some seven or eight were killed inside the town. These were probably carried off by the enemy on horseback or by ambulance. The Russians were seen conveying in an ambulance two dead men, apparently officers, and blood-stained bandages were found scattered around. The enemy must have sustained losses at least equal to our own."

WHALE EXPLODED MINE. One of the mines in Possiet Bay mutilated carcase subsequently washed ashore. It bore evidence of laid by the Russians in expectation Japanese landing at Possiet

OUT ON A CRUISE. Russian warships are cruising twelve miles outside of Port Arthur directing the forts in experimental firing. The cruiser Askold further out at sea scouting. The cruiser Askold is still

MET DEATH LIKE HEROES. Admiral Togo, in his official despatch relating to the attempt of his fleet to "bottle up" the Russian vessels in Port Arthur harbor of Sunday last, says :-

Sugino, who were killed, displayed remakkable courage. Boatswain Sugino was just going down to light the magazine on the Fukui Maru when the ship was struck by an enemy's torpedo, which killed

"Commander Hiroz, after causing his men to take to the hoats, and not finding Sugino, searched through the ship three times for him. Finding his ship gradually going down, Commander Hiroz was compelled to give up the search and enter a boat As he was rowing away und enemy's hot fire a shell struck him on the head. His head and part of his body were blown away. brave officer's body, only a piece of mander Hiroz was always a example, the memory of which will be everlasting."

The Emperor has conferred the Order of Kyte and the Order of the Rising Sun on Commander Hiroz, who was killed during the Japanese attempt to bottle up the Russian fleet at Port Arthur Sunday last. A movement has been inaugurated to erect a monument to the memory of Commander Hiroz.

WILL TRY AGAIN.

The Nagasaki correspondent of the London Express says that the Govrnment is determined to succeed in blocking Port Arthur. It holds twenty-eight old steamers ready for Admiral Togo's orders. They are stripped of everything except the machinery necessary for their navigation. They will be despatched six at a time.

# LORD CURZON'S WARNING.

Encroachments Toward India Will Be Checked.

A Calcutta despatch says: In the course of the budget discussion Wednesday the Viceroy, Lord Curzon of Kedleston, declared it was his express intention to return to India. The Viceroy spoke for an hour and a half. Referring to their responsibilities in Asia, he said India resembled a fortress, beyond whose walls there existed on one side a glacis of and dimensions. which they did not desire to occupy,

[would be compelled to intervene, be despatch to the London Daily cause the danger of such unfriendly influences would grow up as a menace their victory at Chong-Ju the Ja- to their security.
