the BISMARUK OF JAPAN

BY ONE WHO WAS THE GUEST OF THE MARQUIS ITO.

Few Delightful Hours Spent at His Home Near Tokio.

ined Bismarck's death I have alays considered the Marquis Ito the ost remarkable man in the world, said a gentleman who has recently returned from a visit to Japon; and I think anyone who is familiar with his wonderful history will agree with

At any rate, there can be no question that at the present moment he the most interesting personality living, and, as I had exceptional opportubities of studying him at close quarters a few months ago, I dare say your renders may like to know the result; says a writer in London

When one thinks of all the marmus has done in his lifetime one is and to picture him as an old man work is done; but I assure In spite of his sixty-two years and the grey in his hair and beard he is still essentially a young man, dert, active, full of energy, and to appearance equal to making a great man should be, entirely withconceit and affectation, and I canfot resist a smile when I think how this man, within a few years placed his country among niest progressive and powerful elecence of a student to my views in revernment when I spent a few delightful hours with him at his illa o; Oico, a few miles from To

There you ree the great statesman his very best, in his lovely home werlooking a glorious stretch of unity bounded by the blue of and that most beautiful of
