Crowd Stopped the Game.

The Markdale vs. Durham Lacrosse Match Interfered With by Spectators and Game Remains Unfinished.

The Durham lacrosse club and the Aberdeens of Markdale made their first break into championship lacrosse this week. On Tuesday the Markdale team went over to Durham to open the season. The game, while it lasted, was about as fair a sample of lacrosse as ever gladdened the eye of a spectator, but unfortunately it was not of

long duration. It was about a quarter past four that the players lined up on the green before a crowd of five hundred people. Mrs. (Dr.) Jamieson placed the ball between the sticks of the opposing centre players expressing that if it were possible she wished both teams success. Then referee George Manus, of Shelburne, were in town last Allen, of Mount Forest, called play, and the game was on. . At the face-off Markdale secured the ball and with two or three quick passes it was down on the Durham flags, where it was blocked and sent back up the field again, when it was again stopped; thanks to Markdale's strong defence. The first quarter was marked by speedy combination and many brilliant plays. During this quarter Durham scored

one goal-the only one scored during the game, which, by the way, is no more than could be expected, as two of Markdale's best defence men were, off for minor offences at the time. The second quarter found Markdale on the aggressive and the ball dangerously near the Durham nets. About ten minutes of this quarter had been played when a bad mix-up occurred. Two or three players were having a little scrap, which would probably have not amounted to much had not some of the spectators rushed on the

field. The Markdale boys, were used pretty roughly, and refused to line up again, and referee Allen, declared the game unfinished, owing to the interference of the spectators. The matter will be submitted to the council of the C.L.A., and it is likely

The coremony was performed at the residence of Mr. and Mrs. A. H. Scott, in the south end, by Rev. G. R. Turk, pastor of the First Methodist Church, in the presence of forty guests. The ceremony was pronounced under an arch of evergreens and apple blossoms. The bride looked very beautiful in a bridal gown of cream silk Japan taffeta, with long bridal veil and orange blossoms, and carrying a bouquet of carnations and parcissus. She'was attonded by Miss Louie Lyons, of Markdale, who looked exceeding pretty in white organdie over white silk and carried carnations. The groom was supported
