THE KING'S BOOTS.

Royal . Bootmaker Talks of Royal Footwear. The King wears an 81 boot and his foot is well proportioned. So says Mr. Leo Thomas of St. James'

treet, London, the royal bootmaker, in an interesting interview on the King's boots, which appears in the current number of Footwear.
His Majesty has practically a pair of boots for every uniform he wears,

besides walking boots, walking shoes, evening shoes, and shooting boots.
It is a popular delusion that the King orders his boots in large quantities. This is not the case. He Edmund Barton did not share the corders, as a rule, only one pair at a semi-socialist views of Mr. Watson, time, although occasionally several time, although occasionally soveral pairs are required for specific pur-

other, are included in one order.
"The King," said Mr. Thomas, knows precisely what he wants, and insists upon having it. He is one quired, angrily. of the greatest students of detail I got a new kettle, and we don't 'ave ed is entirely eclipsed by since the goods were originally made
