coolest gowns.

This is simply a narrow blade of steel, some four inches in length. around the box. At either end are tiny teeth and slides intended to hold the sash rib-

ered in gold and silver, with hawthorn flowers or writhing royal monsters; and the buckles are gold or silver set with stones in harmony with the color of the leather! The curtain veil is much worn. dot . are inexpensive and pretty.

Others have rufles and tiny ruches of ribbon or gauze, and even expensive, and being very fragile book kept for the purpose. must be considered extravagant. In great Russian households often

## FASITION'S DICTATES.

When the shirt waist suit made of some soft material like cotdamask, scrim, or fine momie cloth, it is well to have the stock, belt, and cuffs made of the same material as the dress. The stock and belt are made on a thin crinoline foundation; the bow of the stock is made in the new approved fashion, players made in the new approved fashion. is at the left side and two loops at the right. These dainty accessories to the shirt waist suit will be found indispensable to the woman who has learned how much the little things in dress count.

To give a pretty finish to the pointed ends of the stock and of the crush belt, French knots of a contracting color trusting color may be scattered on the house, but a gentleman would

White frocks usually show sashes of some bright color, or of the chine ribbons. A white batiste frock about fellow servants, but never of some bright color, or of the chine worn lately at a wedding by a about their employers. Even when young girl had the girdle and long they quit one place and take service sash ends of bright ciel blue. It was in another family they would never the place and the service in another family they would never only a bit of color on the frock, but mention anything about their former her large round cream straw hat was masters. This discretion goes so far right. wreathed with tiny pink roses, blue that even the law considers it. forget-me-nots, and now and then a Russia the law excludes servants as primitive men, who draw right-inclin- Joblot's engagement to Miss Pink-

flowered there are usually dots to be seen on the background. Nearly all of the foulards have stiff, small designs. Blues, browns, heliotropes, and greens spotted with white lead in that ever popular silk.

While the foulard designs are small Ont., says: "I am never worried mousselines, grendlines, and other Tablets in the house; they always thin, light fabrics show large, blurrigive prompt relief for all little ailed designs usually in flowers.

Gunpowder has spoiled war. was always detrimental to the solid interests of mankind. But in old times it was good for something, it painted well, sung divinely, furnished. Iliads. But invisible butchery, under a pall of smoke a fur-long thick, who is any the better for that?

As long as mankind shall continue to bestow more liberal applause an their destroyers than on their bene-factors the thirst of military glory will ever be the vice of the most other things the instrument indicates

money, if he told you frankly how old he was and how much he was Miss Timely How much In he worth?"

BANISH THE WRINKLES. In Many Cases They Are Merely

Women. A woman's face plainly indicates the state of her health. Wrinkles, which every woman dreads, are not necessarily a sign of age. Palor of

face, wrinkles and a prematurely aged appearance are the outward indication of those ailments that afflict Green ginghams makes one of the womankind alone, and from which White washaple she too often suffers in uncomplainbraid or pipings of white linen trim ing silence, rather than consult a when we come to reflect upon such a gown attractively, and a doctor. In this condition Dr. Wilwhite leather belt adds a dressy liams' Pink Pills are women's best parent. Some of the new low shoes have rich, red blood, and this blood act-

at the back of the shoe, and it is how she found new health through pot half as trying as the absured french heel. The widest of silk ties are affected. Inch-wide ribbons are used in place of the usual lace.

A novelty veiling, which is attractive because of the odd combination, has royal blue and grass green designs on a navy blue foundation. Each figure is made up in equal parts of the two shedge the nettens of the two shedges the nettens of the figure excess of bulk and weight the use of Dr. Williams' Pink Pills.
