ISSUE NO. 26-04

OYAMA IN SUPREME COMMAND

Formerly Marshal and Chief of the General Staff.

JAPS COMMANDER-IN-CHIEF.

A despatch from Tokio says: It is believed that the places most vacant at headquarters by the appointment of Field Marshal Oyama as Commander-in-Chief of forces in Manchuria, and his selection of Gen. Kodama as his Chief of Staff, will be filled temporarily.

Russian Government the desirability of putting an end to the useless carnage.

RUSSIANS LOSE VESSELS.

A despatch from Tokio says: The Japanese captured a junk leaving for Port Arthur on Wednesday, and the Chinese losses, as was at first reported, but that they are an indication of a larger field of operations.

PORT ARTHUR QUIET.

The only news of Port Arthur comes from Chefoo, whence it is stated that the Japanese are still pushing their advance against the fortress so vigorously as they did at the beginning of the month.

Notes of Proceedings in the House of Commons.

INTENDING IMMIGRANTS.

Hon. Mr. Sifton, replying to Mr. Ralph Smith, intimated that the Government had taken energetic measures to prevent intending immigrants to Canada from being victimized by irresponsible agents.

RAILWAY CROSSINGS.

Mr. Lancaster again presented the case for the amendment of the railway act, 1903, which had been reported against by the Railway Committee.

ANTI-CIGARETTE BILL.

The House then went into committee on Mr. W. S. Maclearen's bill to prohibit the importation, manufacture or sale of cigarettes.

THE ELECTION ACT.

Sir Wilfrid Laurier made a further announcement respecting the legislation yet to be introduced with respect to the election act.

EXCHEQUER COURT.

Mr. Fitzpatrick's bill to amend the Exchequer Court act was taken up again in committee, and amended, on motion of the Minister of Justice.

STEAMBOAT ACT.

A third reading was given to Mr. Prestontano's bill to amend the steamboat act, 1898, providing for the inspection of machinery and equipment of steamships propelled by gas, fluid, naphtha, electric or any other mechanical or chemical power.

AUDITOR-GENERAL.

Mr. J. Lorne McDougall, Auditor-General of Canada since August 1, 1878, on Tuesday sent an application for supersession, to take effect July 1st.

Three foreign anarchists were arrested in Johannesburg for threatening Lord Milner's life.

THE ADVANTAGES.

Wherever it has been tried this system of giving excellent results, as is shown by the fact that it is difficult to gain admission to the rings.

ROOSEVELT NOT NAMED.

A despatch from Chicago says: A special committee of the Republican National Convention, which has been appointed by the party to select a chairman of the convention, has named Mr. George B. Cort, of New York, as its chairman.

UNANIMOUS CHOICE.

A despatch from Chicago says: A special committee of the Republican National Convention, which has been appointed by the party to select a chairman of the convention, has named Mr. George B. Cort, of New York, as its chairman.

DISASTER TITLED.

Six Competing Crews Drowned in a Gale.

A despatch from Melbourne says: In the regatta here on Tuesday the sailing matches between boats from various parts of Victoria were completely wrecked by a gale which blew up at 10 o'clock.

THIRTY KILLED IN WRECK.

A Madrid despatch says: Thirty persons have been killed in a collision between a train and a steamship in the bay of Biscay.

FROM ERIN'S GREEN ISLE

Happenings in the Emerald Isle of Interest to Irish-Canadians.

Wages for common laborers are to-day almost double what they were twelve years ago.

A large firm near Colmerville, County Dublin, is now busily engaged in the manufacture of paper from peat.

It appears that both pauperism and lunacy have very materially increased in the Emerald Isle during the past three decades.

Six Sovereigns have paid visits to Dublin during the past year.

It was stated in the House of Commons the other day that thirty members of the Irish Nationalist League had served terms of hard labour in prison.

At the Dublin Police Court, Annie Rohan was found guilty of murdering her three children by beating their heads against a wall.

Mr. Arthur Armstrong, manager of the Theatre Royal, Dublin, on the 10th ult., received from the King a gold tie-pin, set with diamonds, as a memento of his Majesty's recent visit to the theatre.

Belmont was the scene of a riot which resulted in the deaths of several men.

A crowd of roustabouts who had insulted several women were attacked by witnesses of the insults and some twenty 100 men and boys were fighting.

A murder was committed in a farm house in Lifford, near Belfast, on the 22nd inst.

A hired man who had been discharged returned at night and surprising the farmer, Howard Kane, at supper, shot him through the heart and escaped.

The Queen's estate in the County Wick has lately been sold to Sir Peter St. O'Farrell, of Wick, who are the original owners of Quilca. Quilca is famous as having been the residence of Dean Swift.

Sheeran, the man who helped Reddy to translate the Bible into Irish, is reported to have died in the hospital at Belfast, now has the distinction of being the youngest marquis in the peerage, as he is only eight months old.

The young successor to the Marquis of Blandford, the infant Earl of Belfast, now has the distinction of being the youngest marquis in the peerage, as he is only eight months old.

The young successor to the Marquis of Blandford, the infant Earl of Belfast, now has the distinction of being the youngest marquis in the peerage, as he is only eight months old.
