An Aggravating Cough Cured

A customer of ours who has been suffering from a severe cough for six months, bought two bottles of Chamberlain's Cough Remedy from us and was entirely cured by one and a half bottles of it.

Miss Nellie Holmes, treasurer of the Young Woman's Temperance Association of Buffalo, N.Y., strongly advises all suffering women to rely, as she did, upon Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—Your medicine is indeed an ideal woman's medicine, and by far the best I know to restore lost health and strength. I suffered miserably for several years, being troubled with menorrhagia. My back ached, I had bearing-down pains and frequent headaches. I would often wake from restless sleep, and in such pain that I suffered for hours before I could go to sleep again. I attended the long nights as much as the weary days. I consulted two different physicians, hoping to get relief, but, finding that their medicine did not seem to cure me, I tried your Vegetable Compound on the recommendation of a friend from the East who was visiting me. I am glad that I followed her advice, for every ache and pain is gone, and not only this, but my general health is much improved. I have a fine appetite and have gained in weight. My earnest advice to suffering women is to put aside all other medicines and to take Lydia E. Pinkham's Vegetable Compound. —Miss NELLIE HOLMES, 510 No. Division St., Buffalo, N.Y. —\$5000 (original of above letter proving genuineness cannot be produced.)

The county council pays Mr. Rutherford (the Owen Sound Times) for reporting the proceedings of that body while in session, on the distinct understanding that the reports be furnished to other papers in the county simultaneously. Last week a copy of The Times addressed to The News arrived here by the 4.14 p.m. train on Wednesday, which is the customary way of fulfilling the contract. The Times thus has a monopoly of the paid for report, which is no doubt quite satisfactory to Mr. Rutherford. Just why the public of this county should be compelled to pay Mr. Rutherford for reporting the proceedings of the council for his own paper, while the other county papers have to provide their own reports, is a question a great many ratepayers in the county would like to have explained by the council.—Oshworth News.
