RUSSIAN WARSHIPS ISCAPING A few of the Japanese succeeded in ascending the hill and hid among the rocks. The Russians expected that the Japanese would be largely reinforced and so did not remain. The sappers decorated the position with wooden guns before they retired. TRADE CENTRES.

German Territory.

PURSUED BY JAPANESE. despatch from Chefoo says :-The Russian fleet emerged from Port Arthur at 7 a.m. Wednesday morn-It is stated that only the Jemain in Port Arthur smaller Japanese vessels engaged and pursued it. The pursuit lasted two hours and a half. The hospital ship Mongolia, carrying women and child- It is officially stated that there has ren, is said to have accompanied the been no important fighting in the re-

state that during the last five days from the town, but there has only Japanese shells from Woll's Hill been skirmishing. have been dropping into the town, however, is growing that the Japhave been dropping into the town, however, is growing that the dap-tausing much damage. Several civ-lians have been hurt. One shell hit Liao-Yang. The rumor is revived an oil storehouse under Golden Hill. daily that their energling of the Five hundred sailors vainly attempted to extinguish the fire it caused.

SAFE IN GERMAN WATERS.

The Chefoo correspondent of the London Telegraph, in a despatch dated Friday, says that at 5 a. m. the Russian cruisers Askold and Novik and two, destroyers entered Tringtao harbor. Tsingtao is a port in the German

concession of Kino-Chan.

JAP CRUISER SUNK 2

protected cruiser Kasagi was sunk off Round Island in the recent en-detachments. The enemy concen-

Port Arthur, took on board heavy stores, machinery, and material for ship repairing. torpedo-hoat destroyer Ryeshiteini has been dismantled by the

removal of the breeches of her guns. JAPS SEIZED DESTROYER.

A boarding party from Japanese torpedo destroyers boarded the dismantled Russian torpedo-boat destroyer Ryeshiteini on Friday morning at 3.30 o'clock. The Japanese dis-ficers and men anticipate a big bat-charged their small arms, and dur-tle around Liao-Yang, but the fear ing the firing a Russian was wounded in one of his legs. Daybreak showard a third Japanese destroyer towing seek to turn the Russian position and all disappeared. The Japanese Consul claims that the Jauanese ships were ignorant of the dismantling of the Ryeshitelnii A correspondent, however, informed the Japanese naval officers of the fact when he visited the two Japanese destroyers at 2.30 o'clock on Friday morn-

Pwo large Japanese torpedo-boat destroyers had been hovering outside The harbor, under the gover of dark-ness, on Thursday night, showing no lights, and anchored a quarter of a n permanent anchorage. The Japanese officers said they would depart at daylight. It is understood that the Chinese admiral discovered the presence of the Japanese torpedoboat destroyers, and presented the a way would be opened for peace. same demands to them that he had The almost unanimous opinion is carlier given to the Russian des- that, with her present record of vicleave port or to disarm.

Admiral, Sah, sent an officer on board, who demanded that the destroyer either leave port or disarm. It Several keen diplomats, however.

quested the Admiral to indicate a position nearer the shore where the de- way for the guarantee of the admin-

their heavy duty, dropped from exhaustion alongside their guns. Gen. Stoessel rode along the line urging the troops to be brave for God and the Fatherland. At daybreak the pursuit of the Russians between Sim-Japanese concentrated their reserves oucheng and Simu-Lin, on the Haifor a final attack, in which they Cheng road.

Swept the Russians back. Out of It says that the Japanese pressed swept the Russians back. Out of 200 men in one fortified position only two survived. More than half of them succumbed from exhaustion. On Thesday the Russians stealthily attacked, crawling among the rocks and up the mountain sides. The first suited for an ambuscade. The Russians with one battalion and line rushed the Japanese outposts, and fighting ensued at close quarters. Simultaneously the Russian flect opened with its guns. Finally, the possible of Japanese in close order in the immediate vicinity of the rock in the regiment of Japanese in close order in the immediate vicinity of the result of the result of the result of the regiment of Japanese in close order in the immediate vicinity of the result of nence in the immediate vicinity of beneath the guns concealed on, the Port Arthur, facing the Kekwan and Parling forts on the landward side of the castern basin, which was captured by the Japanese Monday night, was recaptured by the Russians, who mow hold the main line. They reached the broke and now hold the main line. They reached the broke and the broke
