One evening last week some urchin threw a stone about the size of a hen's egg through a window in the rear of Mr. Fred Eagles' residence with such force as to strike the wall in the opposite side of the room. One foot more to the right and it would have struck Mrs. Eagles who was seated with her back to the window. This is not the first instance where such deeds of villainy have been indulged in with hair breadth escapes for somebody, and the practice of stone-throwing in town is becoming intolerable. A few of the lads caught in the act should be made an example of.

A woman in Orangeville made some root beer, and bottled it before it had fermented. A few nights later there was a popping noise in the cellar. Her husband, believing there were burglars in the house, stealthily approached the cellar door. Just as he peeped in there was another report, and he was hit. He then peeked the muzzle of a six-shooter into the cellar, and turning the gun from side to side, fired a fusillade of bullets into the darkness. He was then out of ammunition, but the enemy kept firing, and he retreated upstairs, where his wife was screaming for help. The neighbors arrived and found the man locked in root beer. —Chateworth Banner.

The Juniors Great Finishers.

The Young Aberdeens Played Good Lacrosse in Their Tussle With Clarksburg.—Score 4-4.

The Markdale Juniors went to Clarksburg on Monday and played a team of Thornbury-Clarksburg Juniors, and Intermediates. There was no comparison in the weight of the contending players, the home-men being much the heavier. In the first ten minutes before the visitors had found their bearings Clarksburg scored four times. Then fold captain Joe Crowe took his players to one side and talked both plainly and forcibly, prophesying dire calamity if the Aberdeens did not soon get busy. The advice seemed to have its desired effect, for after that the Aberdeens did all the scoring, the game resulting in a tie, though it was generally admitted by the large crowd present that after the Aberdeens found themselves the game was theirs always and everywhere. Darkness prevented playing off the tie.

Every Aberdeen played beautiful lacrosse—after they began to work. To commence at the flag, Harold Sewell in goal was small but made good, even though he did stop most of the shots with his back. Budd Penelton at point was kept busy but never had much trouble in clearing, even though he was always checked by two or three men. Pat Kelly at cover is a player alright but does dearly love to run and dodge. His new red shirt was a winner with the fair girls of Thornbury-Clarksburg, he having all the other boys beat miles in that respect. The remaining defence players, Jack Cory, Ed. Sewell and Elmer Truck did very well, especially the first named, proving himself willing to meet any one coming—with his stick or anything else.

Willie Hill at centre can't run as fast as an express train, but nearly so. He fairly lost the other fellows when it came to a sprint. He played excellent lacrosse. Upon the home players, Joe Kelly, Wilfred Burnside, and Allie Littlejohns, fell the greater share of the work, and they each scored a goal. They played a beautiful combination, time and again travelling the whole length of the field by passing and dodging, completely bewildering the opposing players. Harvey Lucas at outside home played his position well and was always on hand when wanted. Harvey also notched one for his team. Michael Kelly checked the biggest man in the bunch, a 200-pounder. Mike did not always hit the ball, for the point player was often in the road; suffice to say he used up a couple of sticks on his burly, though good-natured opponent. To Mr. Rowe, the referee, fell the easiest task of all. Everyone being so good natured and gentlemanly, he was not called upon to discipline anybody.

The Aberdeens speak highly of the excellent treatment they received, both in the accommodation provided and the gentlemanly conduct of the home players on their own grounds. Apart from the enjoyment of the game the drive was a pleasure. The view from the mountain across the valley was picturesque indeed. The fruit crop we are told is above the average, the plum and apple trees nearly breaking with their load.

Rev. John Hunter Resigned.

The Rev. John Hunter, pastor of the Presbyterian Church for ten years, left on the 10th June to visit his native land and while there accepted a charge and sent in his resignation last week which was read on Sabbath that evening. Mrs. Hunter and family, three daughters, will pack up and expect to leave in three weeks for Scotland. In the departure of Mr. Hunter from the pastorate of Cooke's Church, Markdale loses one of its best preachers and indefatigable workers. He has proven himself a man of sterling worth, superior financier and industrious pastor, while his estimable wife and talented daughters are worthy examples to follow.

A few months ago the town of Toronto Junction passed Local Option, and the hotels immediately closed their sheds, and refused to take boarders. Now a League has been formed, called the Citizens' League, and is furnishing an up-to-date hotel, minus the 'saloon' end, and is determined to furnish first-class accommodation.

The harness making business of Thos. Mathews & Son has greatly developed during this season. A new Laundie Wax Thread Stitcher was put in a machine that will stitch as much as five men by hand. Besides this the staff has been doubled, and now the shop is too small. If business continues to increase they purpose moving part of the plant upstairs.

Accident to Willie Brown.

On Thursday evening last, our town experienced another striking example of the recklessness of youth, when what might have proven a very serious or possibly fatal accident occurred to little Willie Brown. He with another boy somewhat younger than himself were playing in Mr. A. W. Wyville's newly constructed house, and during the course of this play Willie attempted to walk some of the boards placed across the collar beams, but one upon which he stepped happening to be loose, he was immediately thrown about ten feet alighting on his abdomen on the joice, the blow rendering him unconscious. As the other boys stories are a shade conflicting, we do not know exactly how long he remained in that precarious condition, but he was as soon as help arrived carried to his home, two doors south, where a doctor was instantly summoned, who dressed his wounds. At the time of writing we are pleased to relate that Willie is recovering rapidly from his severe fall, and, although not in a state of perfect health yet, he is able to be around town, and we trust it will not be long ere he is able to indulge in youths' innocent amusements once more.

Lacrosse in District No. 2.

Owen Sound Defeated Durham over, Thus Winning the Championship of the District.

The tie game of District No. 2, between the Wellingtons of Owen Sound and Durham of Durham was played at Hanover on Friday last, resulting in a score of 3 to 2 in favor of Owen Sound. When time was up both teams were a tie, 2 all, and the referee ordered play to continue for half an hour, or until one side scored, which Owen Sound did in about two minutes, thus winning the championship of the district. A number from Markdale were over and witnessed the match, which is said to have been one of the best games ever played in the district, estimated that about 1,900 people were present. The very evenly matched contest would indicate, their standing time being 1 to 0 in favor of Owen Sound. At the third quarter it was 2 to 0 in favor of Owen Sound. At the fourth quarter they were 3 to 0. Very superior quality. G. W. R. Gagnier of Toronto refereed and was very satisfactory to both teams.

Wedding Bells at Kimberley.

A Charming Ceremony at the Residence of Mr. and Mrs. Alex. Fawcett.

On the beautiful evening of August 17th a very interesting event took place at "Vino Cottage," Kimberley, the home of Mr. and Mrs. Alex. Fawcett when their daughter, Edna Thurston, formerly of Woodstock, was united in marriage to Mr. Andrew S. Wallace. Promptly at six o'clock to the strains of Mendelssohn's Wedding March played by Mrs. Walters, cousin of the bride, the bridal party took their places on the verandah under an arch of Nature's green. The ceremony was performed by Rev. Mr. Wass of Eugonia. The bride looked charmingly dressed in her travelling suit of blue venetian cloth with cream silk bodice trimmed with rich oriental lace, and carried in her hand a shower bouquet of white and pink roses. Miss L. Wallace, sister of the groom, made a very pretty bridesmaid, while the groom was ably supported by Mr. Victor Hall, of Milton, cousin of the bride. About forty guests, near relatives of the bride and groom, were present, those coming from a distance being Mrs. J. Thurston and daughter, Myrtle, Toronto; Mr. and Mrs. T. Chown and family of Barrie; Messrs. Robt. McCurdy and Victor Hall and Miss M. Hall, Milton. The many beautiful presents bestowed the popularity of the young couple, several coming from Woodstock, the former home of the bride. Before the wedding dinner was served, another interesting ceremony was performed, the christening of the bride's little niece, Olive Victoria Chown, of Barrie.
