

FLESHERTON HAPPENINGS
(By our own Correspondent)

The residence of Mr. George Wood, near Stratford, was the scene of a pretty wedding at 6.30 o'clock on Wednesday evening of last week, when his daughter, Jeanette, was united in marriage to Mr. Harry Stewart, youngest son of the late George Stewart, Esq., of this place. Under a beautiful arch of white chrysanthemums and asters the marriage ceremony was performed by the bride's pastor, Rev. J. A. Graham, B. A., of Avonbank, assisted by the groom's pastor, Rev. R. Stewart, B. A., of Avonbank. The bride, who was given away by her father, wore a beautiful gown of white silk voile with pretty lace yoke and carried a bouquet of carnations and smilax. She was attended by her sister, Miss Beattie Wood, who wore a becoming gown of cream-voile and carried pink carnations. Mr. McIntyre of St. Marys acted as best man. The bride's cousin, Miss Francis, of St. Marys played the Wedding March. The bride's traveling suit was of garnet cologne, with hat to match. After the ceremony and congratulations, a repast of rare excellence was served and pleasing congratulatory speeches were given by Revs. Graham and Stewart, who spoke in very praiseworthy terms of the newly wedded couple. About 100 guests were present from Galt, Kintore, Carthage, Avonbank, St. Marys and Flesherton. The bride was the recipient of a large number of beautiful wedding presents, that of the groom being a beautiful pearl crescent pin. To the bridesmaid he gave a gold ring and to the groomsmen a gold locket. The young couple made a short visit to London before settling in their new home near Avonbank. Mr. Stewart was a very highly esteemed young man here and it gives us pleasure to tender our congratulations on this happy event in his life.

At the call of the Trustees Board a meeting of ratopayers was held in the school building on Wednesday evening of last week to discuss much needed improvements in the heating of the building, the present system of hot air not proving satisfactory. Mr. M. K. Richardson was voted to the chair and after full discussion a resolution was adopted authorizing the Board to discontinue the present system and have installed a steam heating plant. The contract, amounting to something over \$700, has been let to F. G. Karstedt and the Gurney Company, who are to have the work completed in 30 days.

The union evangelistic services here are being largely attended and growing in interest. Never before, we believe, were more powerful sermons given here night after night than are now being delivered by Rev. M. Ranton, who is an impressive and convincing speaker, making clear his subject by apt illustrations and at times arresting the attention of his audience with humorous, but pointed, anecdotes through which he presses home the truth. Services were held last week from Tuesday till Friday night in the Presbyterian church and on Saturday evening at Ceylon. On Sunday morning service was held in the Methodist church and in the evening in the Presbyterian church, which was crowded to the doors. Next Sunday the order will be reversed. Monday, Tuesday and Wednesday of this week the meetings continue in the Presbyterian church, after which, excepting Sunday morning they will be held in the Methodist church till Wednesday evening of next week. On Saturday evening Mr. Ranton, who before his conversion was a bartender at Barrie and Owen Sound, will deliver his temperance lecture, "From Bar to Pulpit," which is said to be a masterly and captivating production. A large audience will doubtless be present to hear it.

A quiet marriage took place at the manse here on Wednesday of last week when Rev. L. W. Thom joined in wedlock Mr. George A. Gibson and Miss Jennie Tudor, from near Kimberley. Mr. Edward Turner and Miss Edith Carr of Eugenia acted as groomsmen and bridesmaid. The young couple left the same day to visit friends near Brampton.

Messrs. Herb Smith, W. L. Wright, John Whitten, Mrs. Bunt and two Chard boys, ill with fever under Dr. Carter's care, are, we are pleased to learn, all recovering. A trained nurse is waiting on Mr. Smith, who was dangerously ill for some days. Reeve Muir is at present superintending the job of bridge building at the Sauguené wharf on the Toronto line. Tenders were called for some time ago but none were offered.

East Grey Exhibition will be the attraction here on Tuesday and Wednesday next week. Good weather is hoped for and it so favoured this annual event will doubtless enjoy its usual success.

Mr. Chas. McDowell, C. E., of Owen Sound spent a couple of days last week surveying on the valley road and vicinity.

Miss Hannah Stafford, for some time in charge of Rockvale school, left on Monday for London to attend the Normal there. Mr. J. Hale of Osprey has succeeded Miss Stafford at Rockvale.

Rev. J. B. Wess of Eugenia circuit moved to town last week, for the present occupying Mr. Quigg's residence on Toronto street.

Miss Zilla Trimble, who has been for a year or two with her uncle, Dr. R. Baskerville, at Detroit, returned last week to spend some time at her home here.

Mr. Noble Lawrence left last week to spend a month with his sons and daughter at Nanton, Alberta.

Mr. and Mrs. Albert Stewart, Mr. Chas. Stewart, Mrs. McTavish, Mrs. White and Mrs. Williams attended the marriage of their brother near Stratford last week.

Miss Parker of Toronto is the guest of Mrs. W. J. Boyd.

Mrs. Burton of Woodbridge is visiting her daughter, Mrs. Bunt, who is ill.

Mrs. (Dr.) Sproule of Markdale and sister, Mrs. Ainslie of St. Catharines were in town on Friday last calling on friends.

Mr. and Mrs. Bishop of Owen Sound and Mr. and Mrs. I. B. Lucas of Markdale were the guests of Mr. and Mrs. M. K. Richardson on Saturday evening last.

Mrs. Stoddart of Paisley and Mrs. Shrigley and daughter of Newmarket, who have been visiting relatives here, left for their respective homes on Monday.

Mr. Gordon McMullen, who a short time ago left for Maple Creek, Assa., is, we learn, in a good position there and liking the West.

Mr. S. H. Pearce of Owen Sound was the guest of Mr. W. Trimble and family over Sunday.

Mr. Robt. Irwin, who about thirty years ago lived near this village, but who has been for some years prospering in the West, is visiting his uncles, Chas. and Samuel Irwin of the suburbs.

Farmers in this vicinity are very busy threshing now, the whistle of the steam thresher being heard in all directions. Councillor Best's machine is having a good run east of the village.

Lily Oak
We are informed that Wm. McAnley sold a 2-year-old colt, "Canada's Pride," for \$100. "Who says it don't pay to raise good stock?"

Mrs. Thompson of Woodstock is visiting her parents, Mr. and Mrs. Wm. Robson.

Mr. and Mrs. Sam'el Young's daughter, Charlotte, has gone to reside in Toronto.

Mr. and Mrs. Wm. Johnston went to Harkaway over a week ago, where Mrs. Johnston took ill and has not yet been able to return.

Maxwell
Mr. Josiah Ganevy returned home recently after an extended visit with his son in Manitoba.

Traverston
When the eggs get to be a cent and a half each the old hens decide to go out on strike.

Mr. and Mrs. John Love of Lauriston were down visiting relatives the first of the week and Miss Olive Cook returned home with them for a few days' well earned holiday.

Mrs. L. Witherspoon with bonnie baby Mabel of Brantford is spending a happy time at the old Martin home-stead.

Mrs. John O. Greenwood is over keeping house for her father these days while her brother Archie is away down to King township for his bride, a Miss Bokes.

Misses Florence and M. E. Hunt were home for the big threshing supper and fun on Saturday. Mr. Hunt's grain yielded remarkably well, but he is set up-to-date farmer.

That heavy electric storm on Sunday morning sent its bolts down very freely. Mr. Heslip's barn was struck, shattering a post, but doing no further damage.

Mr. Robt. Reed of Paisley and his grandson, Percy Reed of Michigan, visited among relatives here during last week.

Miss Mary Glenocross left for Toronto last week. She is one of our best soloists.

Mr. John Ryan of the 6th is fairly roping in the "stiff" these days. Last week he sold a heavy 2-year-old colt for \$140, and traded another, and, of course, got the best of the deal.

McArthur Bros., on the 2nd and 4th, James Bartley's gang on the 6th and 8th and Joe McNally's forces further north are "overlastingly whaling out" the grain and smut.

The school boys of No. 5 fished out a good buggy cover out of the creek on Friday. One drolly remarked that the old chappie had a "drappie" too much, while another said it was a fellow who was driving with one arm and using the other for a maiden's belt.

Just as we are penning these lines word has come to us that Mrs. Richard Haley passed away very suddenly and unexpectedly this Monday forenoon. She has had a very badly swollen arm all summer, but it was not expected the end was so near. During the months she has been suffering, her cheeriness and brightness has been the wonder of all. We regret not being in possession of the details of deceased's life, but for the many years she has been in our midst she ever proved the fond mother, the true wife, the hospitable and obliging neighbor. She was a woman possessing more than ordinary conversational and intellectual powers and the home, though humble, has been a very bright and happy one. The neighborhood sympathizes deeply with the bereaved husband, and with Johnnie, their only child.

Wodehouse
Mr. T. A. Carruthers Sundayed at the home of his mother in Clarkeburg. Operations in connection with the telephone line began along the route last week again. Mr. Saul Fawcett is digging the holes on this beat.

Mr. James Wiley is kept quite busy attending to his many customers in the chopping line. The recent rains have raised the water considerably.

A good many of the farmers are busy fall plowing.

Messrs. T. Clarke and F. Birch delivered hogs to Carruthers & Stuart, Ceylon, this week.

Mrs. B. Carruthers visited with her sister, Miss Nellie Soul, at Ventry last Saturday and Sunday.

Mr. J. R. Carruthers, of Clarkeburg, who has spent the past two years in Toronto in the tailoring business, is spending a few weeks with relatives hereabouts.

Presentation to Miss Boggs.
On Thursday evening, the 16th inst., a large gathering composed of members and adherents of the Methodist congregation at Holland Centre, met at the parsonage there and presented Miss M. Boggs with the following address and a purse. The address was read by Miss Mabel Berry and the presentation made by Emma Walton.

A very enjoyable evening was spent in conversation, games, music and refreshments, and the happy couple dispersed about 12 o'clock.

Dear Miss Boggs.—We have met here to spend this social evening with you to show our appreciation of your services and to acknowledge our indebtedness to you as organist of the Methodist Church at Holland Centre. The service of song we regard as very important in connection with the public and social means of grace. How timely music, inharmonious and ill-timed music, marred the service of praise, spoiled the sermon and rendered the whole service almost unprofitable, and many of the congregation failing to be benefited have lost their interest and stayed away. While the lively, well timed, harmonious music has helped the congregation in the service of song, given inspiration to the minister that he could preach better, the people have been interested, pleased and comforted.

How much your faithful and very efficient efforts have contributed to the interest and profit in this place, mere words cannot express. Your unwearied faithfulness at the organ, your painstaking efforts to impart instruction, and your perseverance in this good work for such a length of time, and that without remuneration, claim from us, who have received the benefit, some acknowledgement of our gratitude to you, and some expression of our regard for you, and we have been so slow to give.

Please accept this purse, not as an equivalent for your valuable services but as a slight token of our regard for you and of our appreciation of your work.

Signed on behalf of your many friends in this community:

Mrs. Walton
Mrs. H. Berry
Holland Centre, Sept. 16, 1904.

Priceville
Several farmers near the village have threshed their season's crop. Lachlan McArthur, east of the village, has 140 bushels of barley off two acres.

Mrs. H. McLean, mother of John McLean, south east corner of Glenoch township, died on the 14th inst. The funeral to Priceville cemetery on Friday last was attended by a very large gathering of friends and neighbors.

Mr. D. McInnes, an old pioneer of Glenoch township, a quiet and contented old gentleman of ripe years, who has been living with his son John, about 2 1/2 miles west of this village, passed away from this earth on the 15th. The industrious generation who heaved homes out of the forest for themselves and for us, are now rapidly leaving us, we trust to live in better mansions above.

Mr. Wm. Henderson, who has lived for a number of years in Cattaraugus, New York State, has made arrangements to start on a visit to friends here on Thursday last, the 16th. His other relatives and sisters, who reside in other towns in Ontario, and Michigan, also arranged to meet her immediately after her arrival, and when Thursday morning arrived, a telegram from Cattaraugus stated that Mrs. Henderson had died the evening previous. Her brothers, William and Herbert Watson, Buffalo to attend the funeral at Cattaraugus. H. W. was out twelve miles in the country when word was sent him. He drove home in a little over 20 minutes for the station. This is a blow to those who were looking forward to the re-union of the family.

Mr. H. McDonald, son of John A. McDonald, south line, who won honors at the Business College, Owen Sound, went to Toronto, Ont., to take a situation there. His father accompanied him to the city and took in the exhibition.

Mr. A. Butter has been seriously ill with heart trouble for several days.

Miss Mary Watson, of Cheboygan, Mich., is visiting for some time at school mates here. She will also call on friends in Flesherton, Palmerston and Guelph on her way home.

Walters Falls
Go to Samuel Marshall's, first house north of the fair ground, if you want to get a good meal or supper, night, and stabling for horses both days of the fair.

Mrs. Tigle and baby returned to Owen Sound on Saturday.

Go to W. J. Shepherdson's for hot meals at all hours both days of the fair.

Do not forget the Fair on September 27th and 28th.

R. H. BENSON & CO., Markdale.

Will be here to do business this Fall and Winter

Bargains will be given in every line. Will sell cheaper than our competitors.

We will have a buyer on the market and will pay you more either cash or trade than others will.

R. H. BENSON & CO., Markdale.

Markdale Roller Mills.

Markdale Roller Mill has for three months been undergoing extensive improvements. First the large structure was jacked up nearly two feet, then shifted east seventeen feet, after which a new and substantial stone foundation was built beneath. This preparatory work occupied a month's time. Then for two months the mill-work has been over-hauled and reconstructing the interior and adjusting the machinery to the improved gear. A new flume was built, waste-gate erected, water-wheel with increased power installed, and this week the machinery is in motion again grinding wheat. It will be about ten days before chopping will be done. Mr. Ford richly deserves the enviable reputation he enjoys as far as he is known, for honorable dealing, for enterprise manifested in keeping abreast of the times, notwithstanding the marvellous changes which have taken place in the milling world during his 33 years in this place, and for superior capabilities as a practical miller. He has taken his son, J. W. Ford jr., into the business with him, and we are glad to report him better than ever prepared to cater to the wants of the public.

For Sale
A quantity home-lot with suitable building. Apply ROBT. WILSON, 495.

Can I be of Service To You?

I don't suppose there is a house in Markdale but has occasion occasionally to patronize a jewellery store.

This store likes to be of service to as many people as possible.

I will be pleased to quote prices to those who are only looking around as my prices are as low as the lowest.

Or I will explain what is in favor for presents or give any other information within the knowledge of a jewellery man.

J. H. Stephenson
JEWELLER.
