## WE NEED MORE LOYALTY struments so called, but shaped perhaps more like cups than like plates. The carliest music always is the music of rhythm, drums and cymbals coming in primitive life before stringed or wind instruments. Psalteries are said by Josephus to have had twelve musical notes, but precisely what that means is not clear. We know only that they were stringed instruments played upon by True and False Religion,

Curse ye Meroz, said the angel of were quite unwilling to exchan the Lord, curso ye bitterly the inhabitants thereof; because they came not up to the lielp of the Lord, to he Lord against the mighty.—Judg-

The sentiment of the text seems to e at variance with the spirit of Christianity. Jesus said "Bless;", here it is "Curse." How can we find the key to this Scripture? By a dip into the history of the times. The period of Joshua was full of

glory. Warlike tribes were subdued, government established, and peace, security and prosperity followed. an era of moral and spiritual decay, when the fortunes of the nat on fell God seemingly forsook them. and their day of glory turned into a night of gloom.

The moral, spiritual and material in a nation are intimately related. Immorality makes a people weak and we are not surprised to find lack of unity, indifference to tribal welfire, no army, and the nation helpin the presence of a warlike

When war ibroke out an appeal was sent to the tribes to forward their quota of troops, to fight against, Jabin and Sisera. Some swiftly re-sponded, others held back. Among those who for various crases declined neglected or refused to send men to battle was Meroz. The time to strille a blow for freedom had come,

A STRANGE FAILURE. The strong were willing to let the fight for our souls. In every vilweak perish, though the strong ought lage, town, city, State and nation to hear the infirmity of the weak, The curse of God followed neglect and Lathers. What were the reasons some of the people failed to do their part or resisting their hereditary and righteousness. Print heartedness was one. The

People of Israel, were, in part, agri-rultural, and therefore peaceful, timhi and easily frightened by the hor-ture, wit and intellect, the press and the platform, fashion and numbers are pressed into the service to cast battlefield. This kept them from responding to the call which came to them in trumpet tones.

There is a world battle between them God summons us to war.

When God summons us to war.
