No Difference:

No distinction is made as to the kind of Piles that Dr. Leonhardt's Hem-Roid cures.

The names Internal, External, Bleeding, Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by stagnation of blood in the lower bowel, and it takes an internal remedy to remove the cause. Dr. Leonhardt's Hem-Roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure. Money back if it does.

A guarantee with every package. Price $1.00 at W. Turner & Co.'s, or The Wilson-Fyfe Co., Limited, Niagara Falls, Ont. 2

House of Refuge Notes.

(By An Inmate.)

Mr. Editor, please accept thanks for filling the break in the regular correspondence from the Home, which would unavoidably have occurred last week had you not kindly come to our assistance. Your correspondent also begs to express his sincere thanks to many friends who so kindly enquired about his health during the term of his critical condition, and is glad to announce that by Divine Providence and through the instrumentality of the Home physician, the assiduous and unremitting attention of a christian Governor and Matron, he has almost entirely recovered his usual state of health and cheerfulness.

We have very little news to report this week. The carpenters and plumbers, at present engaged here, expect to be quite through with their job this week.

Miss Marie Chislett, of Owen Sound, and Miss Sproule, of Markdale, were welcome callers on your cor. on Monday morning.

This morning (Tuesday) Mr. George Roy, aged 52, of Glenelg, was admitted as an inmate to the Home.

Owing to the inclemency of the weather our Divine Service on Sunday last was not so largely attended by outside friends. It was, nevertheless, expressively interesting. Mr. Morwood took the fore part of the services and ably sustained his discourse from Acts 16: 30, 31. At the conclusion of the discourse, short and fervent addresses were delivered by Messrs. Harness and Ennis, the latter gentleman making fervent appeals to those present, expecially to the inmates, irrespectively of denomination, to show their willingness to serve God by holding up their hands. A large number of the inmates responded by desiring the prayers of their many friends. We trust that God's blessing may continue to increase and that great good may be wrought by these meetings, which seem to be becoming a new era in many of our lives.

Priceville

With good roads and lovely weather some of the young ladies who are fond of driving might make their fortune yet before leap year is out.

Some of our citizens have installed coal stoves and they seem to be quite comfortable.

F. G. Karstedt, of Flesherton, put a furnace in the Methodist church, which will likely make the congregation feel quite comfortable this winter. A century ago many people worshipped in log meeting houses without any heating apparatus except what fire and brimstone the pastor scattered over their heads.

Mr. John McKechnie, who returned from Dakota about a year ago, has been batching it all last season, but on the 23rd he formed a partnership with an estimable young lady on the Durham road, Miss Carrie Watters. Pastor Roach legalized the business, and now Mr. and Mrs. McKechnie live a short distance west of the village, and although they retain a valuable farm in Dakota, their many warm friends here hope that they will find it to their interest to remain in this vicinity.

A. McCabe and C. E. Tryon attended the recent great Liberal Convention in Toronto. Mr. McCabe, on returning home, was summoned away immediately to attend the funeral of a friend near Toronto.

D. Graham, whose home for some time has been beyond the Rockies, returned recently and is visiting his father and other friends in this vicinity.

A. McEachern, of Cloveland, Ohio, who has been at the parental home, "Moss Lake Farm," for a few weeks, returned last week to the lake Erie city.

J. McDongal, a Toronto Asylum official, has been visiting his mother on the North Line for some time.

Joe McDonald, formerly of Priceville Mills, paid a visit to his parents and other friends here and returned to his home in B. C.

Bert Watson, who went from here to Michigan a few years ago and has been in the employ of the American Express Co. at Mackinaw City, in writing to friends here intimates that he recently bagged the full amount of venison that the Michigan laws would allow in the upper peninsula.

Wodehouse

Mrs. J. Proctor, who has been visiting relatives here for the past two weeks, returned on Monday to her home at Caledon.

Mr. A. Cherry, who has been threshing timothy the past few days, has taken his mill to the valley.

Mr. W. Wiley, sr., accompanied by his sister, Mrs. Proctor, visited friends near Meaford recently.

Miss Gilray, daughter of Mr. James Gilray, formerly of Euphrasia, but now of New York, is on an extended visit with friends on this side of the line, and is at present the guest of her cousin, Mrs. E. Donnelly.

Mr. Bert Thompson had a bee cutting wood on Saturday last. Mr. Lanktree is having one to-day (Tuesday.)

Holland Centre

Missionery services will be conducted next Sunday here at 2.30 p.m. and at Berkeley at 7 p.m. by the Rev. W. F. Roach, of Priceville. Collections and subscriptions will be taken at each service in aid of the Missionary Fund.

Rev. Mr. Berry conducted Missionary services on the Brookholm circuit last Friday, the 4th inst. Mr. Alton, of the Owen Sound Collegiate Institute, who is preparing for the ministry of the Methodist Church, conducted services here and at Berkeley and Massie, and his efforts were very much appreciated.

Miss Cora Olmstead, of Walters Falls, called at the Methodist parsonage on Tuesday.

Mr. Thos. Troughton, who for some weeks has been visiting friends in Maryboro Co., Wellington and other parts returned home last week.

Vandeleur

Misses Rosie Gilbert and Mary Thompson are holidaying with friends at Hopeville.

Mr. W. J. Bellamy and Dr. Ottewell of Flesherton, members of the Board of Health, were around Friday fumigating the school.

Messrs. Geo. Warling, S. Gilbert and Marshall Beard took a day's hunting at Wodehouse last week.

Misses Libbie and Mary Pritchard spent a few days recently visiting friends at Rocklyn and Goring.

Great preparations are being made for the Sunday School entertainment on the 20th.

Miss Katie Davis returned home from Harriston on Monday, where she has been visiting her sister, Miss Daisy, for some time.

Misses Mabel and Myrtle Hunt of Traverston were visitors in our burg last Sunday and Monday.

Mr. Wm. Cooper of this place left for Toronto last week.

Mr. Wm. Summers is drawing sand preparing to build his new house next summer.

Victoria Corners

(Intended for last week.)

Sleighing is very good here at present and the farmers are taking advantage of it to do their teaming.

Mr. and Mrs. Wm. Moore have got settled in their new home.

Miss Minnie Moore, who has been visiting Guelph friends, returned home last week.

Mr. John Graham of Oak Lake, Man., is renewing old acquaintances around here at present.

Mr. and Mrs. F. Rennie visited with Egremont friends last Sunday.

Mrs. Jas. Rath and daughter Edith visited friends in Clinton recently.

(This week.)

Quite a number of young people attended a party at Mr. S. Sheardown's on Wednesday evening. A very enjoyable time was spent.

The people of Proton Station and vicinity should enjoy good health this winter, as the Karn Medicine Co. have been giving concerts and dispensing their cure-all remedies the past week.

Berkeley

Mr. Thomas Anderson died on Monday evening November 28th, aged 77 years. He had been a resident of the township of Holland for about 38 years and was highly respected by all who knew him. The funeral on Wednesday last to the English church cemetery was largely attended. Rev. J. R. Newell of Markdale conducted the services. He leaves a widow, three sons and three daughters.

The rate-payers and pupils in School Section No. 5 were much disappointed, when they heard that the teacher, Miss McCaul intended to leave at the end of the present year. During the past three years she has given good satisfaction and was offered an increase in wages to remain, but having received a tempting offer near her home she has decided to leave.

The many friends of Mrs. J. Lund, of Elmvale, late of this place, will regret to learn that last week she had the misfortune to fall breaking her arm at the wrist.

W. J. Gibson of this place has sold his farm on the back line to Mr. McLean of Allandale who will move here in a few weeks.

Lemon, as assistant organist, with a lemonade set, and a book of church voluntaries each. Rev. E. Appleyard addressed the ladies on behalf of the vestry, thanking them or their services, and that this was but a slight token of the vestry's appreciation of their efficient services in making the services of the Church so attractive. Messrs. W. Walter and S. Marshall, respectfully, presented the set and book to Mrs. Walter, while Messrs. T. Lemon and A. Ferris presented the same to Miss Lemon. The ladies thanked the donors for their beautiful and useful presents, and after having spent a very pleasant evening, all dispersed to their own homes.
