WOMEN'S NEGLECT SUFFERING THE SURE PENALTY

Health Thus Lost is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

Miss Clara Beaubien

More than likely you speak the same words over and over again. You feel tired to some degree. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, headache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea. These symptoms are but warnings that there is danger ahead, and unless headed a life of suffering, or a serious operation is the inevitable result. The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

An Old Maiden's Lamentation

(Crowded out since December 3rd.)

(Written for THE STANDARD.)

I am in my present blissful state not from choice but from grim necessity. All my life, or at least ever since I have attained to the age of wisdom, I have been trying with all the power I possess to change my name, but seemingly the fates have willed otherwise. I have struggled long, and even yet I will not despair, but it is hoping against hope.

'In Heaven.' How blest we'll be When safely housed within the upper world, When the days, and weeks, and months, and years...

How blest we'll be When in our Father's house above, We take possession of our mission here, And dwell for ever with those we love.

How blest we'll be When underneath the love of perfect We walk, and talk, and sing; Where falling leaves that dim our vision now shall cease, and in our eyes shall see the King.

A Guaranteed Cure for Pimples. Tetching, Blind, Bleeding, or Protruding. PAZO OINTMENT fails to cure any case, no matter of how long standing.

Maxwell (Crowded out last week.) We are sorry to report the death of Mrs. Levi Ballister, which occurred a week ago last Monday.

HOPE FOR EVERYBODY. There Seems To Be No Case So Bad That Anti-Pill Cannot Cure It. A Strong Claim, But Well Supported.

Just recently a physician in Lincoln, Nebraska, has made a discovery which is exciting the interest and wonder of the medical profession all over the world.
