SHOULD READ MISS SCHWALM'S LETTER
In All Parts of Canada Lydia E. Pinkham's Vegetable Compound Has Ever Been a Similar Cure.

Miss A.E. Schwalm writes: "I have found Lydia E. Pinkham's Vegetable Compound a specific for Liver, Kidney, and other ailments. It has cured me of many ailments, and I can truly say that it is the best medicine I have ever used. It has cured me of my stomach troubles, and I can truly say that it is the best medicine I have ever used. It has cured me of my stomach troubles, and I can truly say that it is the best medicine I have ever used."

Wedding Rings

This is a case where Quality and Style are the first considerations. I have just received a consignment of the latest fashionable shapes in Wedding Rings, solid gold rings, graceful in pattern and rich in appearance. I can furnish you with the finest quality of gold and silver, and I can guarantee you the best prices. Write to me for a list of prices and a list of styles. J. H. STEPHENSON, Jeweller and Optician.

The Evils of Constipation Are Well known, and the next best thing is to know a reliable cure. Mrs. W. Edlitz, of Stone Mountain, Mass., says: "The Hamilton's Pills are just the thing. They are right to work at once. I use only Dr. Hamilton's Pills." Price 50c. per box.

CALVING COWS

There is no more important period in a cow's life than at calving time. Many thousands are lost every year at this time, because the animal's system is not in such condition as to stand the strain. The feeding of Clydesdale Stock Food a sufficient time before and after calving will tone up the system so that no trouble need be feared. Read what Mr. J. A. Lever, Fleisherton, Ont., says: "I have found it an excellent preparation for feeding cows before calving and never had cows do better after." It cannot be repeated too often, "don't let the calf lose its calf flesh." It cannot lose it without stunting its growth. The raising of "Baby Beef" or early fattened beef, the highest priced beef on the market, is easily done if the calves are kept growing. If this can be done, you can easily realize from one to two cents a lb. more than otherwise. There is nothing better for skimming milk for calves than Clydesdale Stock Food. Mr. Gregory McIntyre, Secretary Farmers Institute, Renfrew, Ont., says: "I have been using your food on my eleven calves, and consider they are the best lot I have ever raised. The only other food being skimmed milk and grass." If you are not satisfied after feeding Clydesdale Stock Food, your money will be cheerfully refunded by our dealer. Sold in your district by: Knott Bros., Markdale; Barday & Bell, Durham; Thos. Mathews & Son, Markdale; Boyd, Hickling & Co., Flesherston; Louis Privat, Williamsford.

If You Are Well Bred

You will be kind. You will not use slang. You will try to make others happy. You will not be shy or self-conscious. You will never indulge in ill-natured gossip. You will never forget the respect due to age. You will think of others before you think of yourself. You will not swagger or boast of your achievements. You will not measure your civility by people's bank accounts. You will be scrupulous in your regard for the rights of others. You will not forget engagements, promises or obligations of any kind. In conversation you will not be argumentative or contradictory. You will never make fun of the peculiarities or idiosyncrasies of others. You will not bore people by constantly talking of yourself and your affairs. You will never under any circumstances cause another pain if you can help it. You will not think that "good intentions" compensate for rude or gruff manners. You will be as agreeable to your social inferiors as to your equals and superiors. You will not sulk or feel neglected if others receive more attention than you do. You will not have two sets of manners—one for "company" and one for home use. You will let a refined manner and superior intelligence show that you have travelled, instead of constantly talking of the different countries you have visited. You will not remark, while a guest, that you do not like the food which has been served to you. You will not attract attention by either your loud talk or laughter, or show your egotism by trying to absorb conversation.—Success.

A Bloating Stomach

Distension and pain from indigestion are cured quickly by Nervifine. When you get an attack of stomach trouble take a stiff dose of Nervifine, which is perfectly harmless but marvellously quick in effecting a last- ing cure. "I was once taken ill with stomach trouble," writes Edward Rowell, of Rochester. "I was in great pain and distress but half a teaspoonful of Nervifine fixed me up in a few minutes. I can recommend Nervifine for sick headache and cramps and consider it an invaluable household remedy." Try it yourself. Price 25c.

Spring Time

The beautiful Spring, The beautiful Spring, That follows so quickly, And bids us forget, The cold hours and blast, And say with thanksgiving, "The Spring's come at last." The beautiful Spring, That rich harvest brings, And its foliage so green; And the music of Nature, So full of good cheer, O, beautiful Spring, sweetest time of the year. The beautiful Spring, The beautiful Spring, Fore-runner of summer, That rich harvest brings, That cover the fields With the ripe golden grain, The product of labour, Of sunshine, and rain. The beautiful Spring, My soul like a song-bird, God's praises would sing, And talk of His goodness, His mercy, and love, That come to me daily In showers from above. The beautiful Spring, The beautiful Spring, Lord help me with gladness My offering to bring, Amalloyally serve My Redeemer and King, "Till I reach the far land Of perpetual Spring." — J. M. Simpson.

House of Refuge Notes.

(By an Inmate.) Another death occurred at the Home early on Saturday morning last. Mrs. Rutan, the old lady who lost her reason a few weeks ago, was released by death from her sufferings. About 3 p.m. the inmates were assembled in the service room to take a last view of the deceased. The Rev. Mr. Rodwell conducted service and delivered an impressive discourse from Job 14: 14. Owing to the impossibility of performing the last rites at the cemetery, the Rev. gentleman pronounced the burial service in the presence of the assembled inmates previous to removing the remains by the undertaker for interment in the Markdale Cemetery. The deaths of seven men and three women have occurred at the Home since October, 1904; three men, and three women having died since the 1st January, 1905. The number of inmates at present are 25 men, 8 women, total 33. We are sorry to state that Mrs. Harness has had another severe attack of sickness, but under the able and careful attendance of Miss Nicholson, of Owen Sound, we hope to soon be able to report her recovery. Mrs. Simpson, of Chatsworth, is also with her sister, Mrs. H. Miss Harness returned to her duties at the Home in the middle of her intended vacation, owing to her mother's illness.

A Fitting Memorial.

(Kingston, W.P.) On Tuesday, March 14th, there was placed in the lower of the McDowall Memorial church, South Fredericksburgh, a fine bell, cast at the McShane Bell Foundry. The bell was given by the children of the late R. J. McDowall, in Kingston, in memory of their father. The following inscription is cast on it: "In the glory of God, and in memory of the McDowall family, A.D., 1798-1904." 1798 was the year in which the Rev. Robert McDowall, the pioneer Presbyterian minister of this section of Ontario came to Canada. His grandson, R. J. McDowall, of Kingston, died in 1904. The donation is a thoughtful recognition of a worthy father, and a memorial to an early pioneer. [Mrs. W. J. McFarland of Markdale is a daughter of the late R. J. McDowall.]

Ninth Line, Euphrasia

A very pleasant event took place at the home of Mr. Neil Boyle, when his eldest daughter, Sarah May, was united in marriage to Mr. Fred Johnston. The ceremony was performed under a beautiful arch of evergreens and roses by Rev. Dr. McLaren on Wednesday, March 22, at half past six, in the presence of about seventy guests. The bride looked charming in a navy blue cloth skirt, with cream vesting, waist trimmed with ribbon, and was attended by her sister, Miss K. Boyle, who wore a blue cloth skirt and cream cashmere waist trimmed with ribbon. The groom was ably supported by his cousin, Mr. Lundy Johnston. The ceremony and congratulations over, an inviting supper was served, after which a very enjoyable evening was spent. The bride received many useful and costly presents, showing the esteem in which the young couple are held.

Rocklyn

(Too late for last week.) The people of our village are greatly enjoying the March sunshine. Our roads are still quite passable. Mr. John Currie, with his sisters, Miss Alice and Miss Edie, are visiting friends in and around Rocklyn. A very enjoyable time was spent at a parlor social in the paragona Thursday evening. The substantial proceeds of \$12.50 were in aid of the paragona furnishings fund. Mr. and Mrs. Carruthers, Mr. and Mrs. Hicks and others from Wodehouse attended. Mr. Vincent and Miss Cora Cole, of Sydenham, spent several days of last week with their aunt and uncle, Mr. and Mrs. Hartley, at the Temperance House. We are sorry to learn of Mr. Edgar Neely's illness. We hope he may soon be himself again. Miss Crabtree returned on Friday. She was accompanied by her cousin, Mr. Herbert Sinclair, and Mr. J. C. Neff, late of the South African Constabulary. Mr. Neff contemplates returning to Africa shortly. Much sympathy goes out to Mr. Joe N. Boyd in his illness. Mr. Boyd is one of the kindest of neighbors and is greatly missed among us. Mr. and Mrs. Ezra Lougheed are comfortably settled in their new home. We are glad they are still a part of Rocklyn. Mrs. Williams gave a progressive croquet party to her married friends in Rocklyn Monday evening, at which an enjoyable time was spent.

STILL ANOTHER CASE.

The New System Treatment, Anti-Pill, continues to work wonderful Cures. When Dr. Leonard of Lincoln, Neb., gave Anti-Pill to the world he had no bounded faith in the treatment, but he did not see the world-wide and wonderful results it is now achieving in the cure of disease. Here is the story of another Anti-Pill victory: "For many months I have been troubled with dyspepsia, dizziness, in my head, cold chills, and suffered most of the time from constipation and was unable to do my housework. I tried every kind of pill and medicine that either the doctor or myself could think of, and finally I got Anti-Pill. The treatment has practically made a new woman of me. I am able to do all my own work. The dizziness has all gone, my stomach feels much better, and I am no longer troubled with constipation. I cannot praise Anti-Pill too highly." Mrs. Thelma, 387 Emerald street North, Hamilton, Ont. Mrs. Tab's letter is only one of many. Anti-Pill is sold at all druggists at 50c., or the Wilcox-Tyle Co., Limited, Niagara Falls, Ont. IT WAS TORTURE TO WALK.

Mr. Julien's Interesting Story. The most remarkable cure that has yet been effected by Cameron's Rheumatism Cure was brought to the attention of a reporter yesterday morning, when he had a very interesting interview with Mr. T. L. Cameron, a well-known merchant, editor, at his place of business in the Reform block, adjoining the post office. "I have been a sufferer from rheumatism for twelve years," he said, "and during that time I have had the disease in the most painful every form. I have had inflammatory rheumatism, sciatica, lumbago, neuralgia of the joint, and muscles, and have suffered a agony during that time." "What were the circumstances which brought about your cure asked the reporter, and he said, "I was in Cameron's drug store about two months ago, and Mr. Cameron, knowing my condition, suggested that I try a bottle of Cameron's Rheumatism Cure. I laughed at him and said, 'You have no idea of my condition.' Mr. Cameron wrapped up the bottle and pushed it into my hand, and I took it home. That was about two months ago, and I have used two bottles during that time. It has done me more good than I could ever have expected. I am now able to do my own work. This fall I have been free from the trouble and believe the cure is permanent." Mr. Julien went on to say that he had taken about half a bottle before he noticed any results. Then his appetite got better and he began to feel better every way. He had taken all kinds of medicine without result. At one time he had to quit eating and could not stoop to measure a customer. Now he is cured and has not the slightest difficulty in meeting every requirement of the business. There is no question that Cameron's discovery is the most effective cure for rheumatism known and the frequency with which candid testimonials have been volunteered from week to week have resulted in large sales of the remedy. As a case of twelve years' standing, Mr. Julien's story of his cure is remarkable, and stands alone in medical annals.
