

# WOMEN NOT TRUTHFUL

This Statement Has Been Unjustly Made, Because Modest Women Evade Questions Asked by Male Physicians.

Mme. Alfred Arcand Zula Ecolison

An eminent physician says that women are not truthful, they will lie to their physician. This statement is not only unqualified, but it is also untrue, but the whole truth, to the physician, but this is only in regard to those painful and troublesome disorders peculiar to their sex.

There can be no more terrible ordeal to a delicate, sensitive, refined woman than to be obliged to answer certain questions when those questions are asked even by her family physician. This is especially the case with unmarried women.

Is it any wonder, then, that women shrink to suffer and that doctors are obliged to guess when they do not get the proper information to cure them?

It is the reason why thousands and thousands of women are now confined to their beds and do not give every symptom that they know more about their true condition of her parts, though her correspondence with them than the physician who personally questions them.

If you suffer from any form of trouble peculiar to women, write at once to Mrs. Pinkham, Lynn, Mass., and she will advise you free of charge.

The fact that this great boon, which is extended freely to women by Mrs. Pinkham is appreciated, the thousands of letters received by her prove. Many such grateful letters as the following are constantly pouring in:

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

## Good-bye Party.

On Thursday evening last a number of the neighbors of Dan Walker of Wodehouse gathered at his home prior to their departure for the West and during the evening the following address and presentation was made:

Wodehouse, Mar. 29, 1905.

Esteemed Friends,—It is with deepest regret we have learned of your departure from amongst us. Your neighbors and friends have assembled here this evening to express our gratitude and to wish you every success in your new home. As you have lived so long among us we have learned to love and respect you as a neighbor we have found you kind and obliging; as a friend trustworthy and true; and the more you will be greatly missed by us we feel that others will be benefited by the change. As a slight token of our respect and esteem we ask you, Mr. Walker, to accept this gold watch chain, and Mrs. Walker to accept this silver knives. May it ever keep fresh in your memory the love of your friends in this neighborhood. We pray that in your new home God's richest blessing may rest upon you and that you may be guided by his counsel. These partings remind us that our final partings here must soon come, and it behooves us to live that we may hear the Master's voice when he calls.

Well done, thou good and faithful servant, and meet where partings are unknown. Signed on behalf of the neighbors and friends,

Letitia Irwin  
George Irwin  
Gordon Erskine.  
Mr. Walker replied in fitting terms.

On Monday, March 27th, the scholars of S. S. No. 18, Euphrasia, presented Miss Edna and Master J. D. Walker with the following address and presentation:

Dear Schoolmates,—We have stopped our regular work this afternoon to press to you our regret at your approaching departure to your new home. We have ever found you, Edna, as one whom the younger of us could respect, and whom those of your own age would readily choose as a friend, and we have always been proud of J. D. We ask you, Edna, to accept this book, and this month organ for J. D., as slight tokens of our esteem for you, and to remind you of your fellow students at S. S. No. 18, Euphrasia. Wishing you both happiness and success. Signed on behalf of the scholars,

Anabelle Irwin, Lawrence Lee, Anna Falden, Emerson Richardson, Joseph Boyd, Nellie Stephenson.

## She Found a Difference.

A Buffalo lady writes:—Dr. Leonard's Anti-Pill cured me of my chronic constipation, and I feel so different to anything else I ever used—Anti-Pill is so mild and gentle that I never thought it would cure my chronic constipation, but it did.

"Soon after the birth of my first child, 14 years ago, constipation became a troublesome ailment. I used everything I heard of, but temporary relief was all I got. I used fifty different medicines in the time.

"I finally got very bad and at times I would have to lie in bed for food and what I did eat would distress me after a while. I had headaches, bloating, bearing down, backache, could not sleep well, easily tired and never felt rested.

"From the very first dose of Dr. Leonard's Anti-Pill I began to improve. Now I am well. It is wonderful."

Dr. Leonard's Anti-Pill is sold by all druggists of the Wilson-Eyle Co., Limited, Niagara Falls, Ont. Sole agents for Canada. The price is 50c.

On Saturday afternoon of last week the small boys belonging to Mr. Willard Cullis's class visited him at his home and were entertained with a beautiful fountain and a neatly worded address, which was highly appreciated by Mr. Cullis.

The remainder of the afternoon was pleasantly spent in the games of various kinds and ended in a happy pull. The boys then separated for their different homes, having spent a pleasant day together.

Several around the fountain were tapped.

Mrs. Arline of Glenside is visiting at the home of Mr. John Glenside.

## FEEDING PROFITS

Quick returns and profits are what the farmer wants in feeding steers. These can be obtained in the steer that can be properly prepared for the market at an early age. One who does this is "A WISE FEEDER." In ordinary feeding the best, ingesting on a full feed is often dissipated to large and early gain. Clydesdale Stock Food to the ordinary feed puts the stomach in such shape as to allow it to digest and assimilate a large quantity of food. It is the assimilation of this extra feed that makes the profit. A point overlooked by many feeders, is the condition of hide and hair. The soft, flexible skin, and velvety hair, is always associated with the experience of a feeder with gaining capacity. It is a certain indication of an active digestion and assimilation of food. The outer skin has a direct relation to the stomach and intestines. Clydesdale Stock Food will give an oil pliable skin and velvety hair. Mr. Walter Wesley of Pine Orchard, Ont., says: "Your Stock Food gives a smooth glossy coat, perfect digestion and extra gain. It is the best that I have ever used, and I can't get along without it." The extra fine and early maturity got by feeding Clydesdale Stock Food enables a man to get top market prices. Your money will be cheerfully refunded by our dealer if you cannot feed it at a profit. Clydesdale Stock Food can be purchased in your district from the following dealers:

- Knott Bros., Markdale.
