A Good Suggestion.

Mr. C. B. Wainwright, of Lemon City, Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by R. L. Stephen.

FLESHERTON HAPPENINGS

(By our own Correspondent.)

Seldom has such a succession of heavy thunder storms visited this locality as that experienced here during a couple of days of last week, but the damage done was fortunately light. On Wednesday night Mr. Joseph Watson's barn, Old Durham Road, was struck and considerably damaged, but not fired. A calf and pig were killed. Building insured. The same night Rev. E. W. and Mrs. Thom and Mr. R. J. Sproule, returning respectively from Eugenia and Osprey, got caught in the terrific storm and had an unpleasant experience reaching home. Mr. Sproule, blinded with the lightning, got off the road and upset his buggy, but no damage done. The electric light transformer here was burnt out and instantly the town was in darkness.

Mr. Ed Thompson's little five year old daughter had a narrow escape from drowning one day last week. She with Mr. Martin's little girl about the same age were playing at the rear of Mr. D. McTavish's blacksmith shop where is a well a few feet deep full to the top with water. The little one fell in and but for the thoughtfulness and nerve of her little companion, who grabbed her and drew her from her perilous position, would in all probability have been lifeless before help reached her. Little Dora deserves a medal.

Hickling Bros., of the 8th con., lost a valuable cow by lightning some days ago. The animal was insured.

On Friday last the usual Arbor Day improvements were made on our public school grounds by the staff and scholars who holidayed after their work was done.

In our note last week on building improvements we omitted Mr. Frank Chard's residence, east of the village, which is to be brick veneered. Joseph Badjerow, near Boyd's mill, will, we learn, build a barn. Mr. T. W. Wilson, of the village, has improved his property by having the frame stable on the rear of his lot completed and neatly painted.

The Chosen Friends had a big rally in the Workmen's hall on Wednesday evening of last week, when after the initiation of a large number of new members refreshments were served and an enjoyable evening was spent. Organizer Davey's visit resulted in an increase of 53 new members making the Society now 75 strong. Clayton's commodious hall is, we understand, being secured for the Society's future home.

The Mission Band in the Methodist Church elected officers last week for the ensuing year as follows: Pres., Mrs. W. H. Thurston; 1st Vice-Pres., Mabel Boyd; 2nd Vice-Pres., Ruby Trimble; Cor.-Sec., Lulu Mitchell; Rec.-Sec., Lily Boyd; Treas., Hazel Boyd; Delegate to the Branch Meeting in Toronto, Mrs. W. H. Thurston.

Dr. Bibby was at Brighton last week at the death and burial of his mother, a very highly esteemed lady, who passed away after three days illness of pneumonia. When Mrs. Bibby's symptoms became alarming the doctor was summoned home but did not reach her bedside in time to see her conscious of his presence.

Communion service, the last in the four years pastorate of Rev. Mr. Wilson here, was held in the Methodist church on Sunday morning last. The sermon and service throughout was impressive.

Mrs. E. P. Lawrence of Durham was in town last week calling on old friends.

Mr. and Mrs. A. S. VanDusen were at Collingwood from Saturday till Monday visiting their daughter, Mrs. Douglas.

Miss Mary Roundtree, of Toronto, is the guest of Mrs. Ed. Patterson.

Mr. S. Huff, B.A., Science Master in Meaford High School, was in town on Saturday and called on Mr. M. K. Richardson. Mr. Huff is an applicant for the position of P. S. Inspector in East Grey, and we understand has the qualifications which fit him well for the position.

Mrs. John Wright has returned to her home here after an extended visit with her sons at Hagersville and Elora and her daughter near Stouffville.

Traverston

The fellows on the sands, or gravelly farms are thanking Providence for the copious showers, while the chaps on the heavy clay farms are crying out, "Lord, Enough, Enough!"

John Timmins has a busy season's work before him. He has the masonry contracts for the following barns: Messrs. Hugh McArthur, of the 4th con.; R. Millburn and Huegan of the Garafraxa Road.

Your scribe purchased an Oxford separator last week and has been having slashings of cream in his tea since.

On April 27th, to Mr. and Mrs. Abel Wright was born another son. That makes six boys in the family to one girl; but that is the general custom of this neighborhood. Boys galore around here.

Jimmy Ryan and Johnny Haley left last week for Owen Sound and have secured good situations at big wages. There are no better workers in the township.

Lily Oak

We are having very wet weather and it is keeping the seeding back.

Death has again visited our vicinity and taken away Mrs. Annie Findlay, wife of Mr. Wm. M. Artley. Deceased has been ill only a few days with inflammation when death came to her relief. The interment took place to the Methodist cemetery here. Funeral service was conducted by Rev. F. C. Harper, B. A., and Rev. G. Lawrence. Mr. Artley has the sympathy of the community in his sad bereavement.

Invitations are out for the 25th anniversary of the pastorate of Rev. J. F. McLaren, D. D., in Temple Hill church, Euphrasia, on Sunday, May 21st, at 2 o'clock. Rev. Dr. Somerville, of Owen Sound, will officiate.

Priceville

The various changes in the weather has detained many farmers who had large fields prepared for sowing from seeding. Some had forty acres or more ready for the seed.

Last Sunday quite a number from the other appointments attended the sacrament, which was held in Priceville Methodist church. Gaelic sacrament was dispensed in the Presbyterian church also.

The new railway surveyors arrived in town again to-day (Monday) and it seems as if Elgin street will be pretty badly cut up by the railroad. Some of the residents of that street are already anticipating the pleasure in the near future of being lulled to sleep by tolling bell and shrieking whistle of the express and the rattle and roar of the heavy freight train passing so close to their dormotories.

Mr. Herb Watson and assistants are commencing the stone foundation of a barn for Mr. Andrew Ostrander, of the 19th Proton. This is the third large barn that Mr. Ostrander has erected on the several farms that he has acquired in that neighborhood.

How to Ward Off Old Age.

The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when any disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these Tablets to be just what you need. For sale by R. L. Stephen.

Spring Show at Rocklyn.

The progressive Agricultural Society of Euphrasia, being desirous of encouraging the breeding of high-class horses, decided to hold a spring show of stallions on Thursday, April 25th. About $40 was offered in prizes, and judges were elected from a neighboring county. The weather was all that could be desired, and a good turnout of visitors was on the grounds. The show of horses in the draught class would have done honor to many larger towns. Other classes were well represented by high-class horses. At the last moment it was found necessary to select local men to officiate as judges. Following are the names of the successful competitors.

Class I—Heavy Draught—1st, A. Dawn & Son's Westfield Stamp, $3.00; 2nd, J. A. Myles' Royal Sturdy, $2.00; 3rd, Dr. Oliver's Prince of Kelton, $1.

Class II—Coach or Carriage—1st, Joseph Manarey's Prince Arthur, $3; 2nd, H. M. Douglas' Gauthier, $3.

Class III—Hackney—1st, J. A. Myles' Lightning, $3; 2nd, Jos. Manarey's Kilnwick Fireaway, $2.00.

Class IV—Thoroughbred—Fulford's Axton took first money, $3.00.

Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by R. L. Stephen.

The Marvellous High Stepping Young Hackney Stallion

PERFORMER

Will stand for a limited number of mares at his own stable, lot 18, con 2, Egremont, during the season of 1905. Those having good mares and wishing to breed valuable horses for market will do well to see this young Hackney.

DESCRIPTION AND PEDIGREE.

Performer was bred by Moses Pulmley, Esq., of Peel County. He was foaled June 15th, 1901, is a bright bay and stands about 15½ hands high, and is a very best of action. Is well bred behind. This grand young stallion was sired by the renowned Moorland Performer, S.B. and 26 C.H.S.B., sire Lord Salisbury, No. 1834, by Lord Derby II., No. 1, sire Dandy Jim, No. 3286, by Superior, No. 1410, by Conway, No. 249, by Achilles, No. 2nd, dam Fanny Gallant, 6836. Performer's dam, Princess, was also bred by Mr. Pulmley, and was sired by the wonderful stock horse Sir Knight. As for breeding goes I feel confident in saying that nothing better could be desired. His dam was shown as an in-bred Lord Derby mare, and combines the best blood of Messrs. J. E. Trefford and W. Farland's noted studs. Performer is a horse full of life, with a good deal of style, and will, I feel confident, when placed for a colt. With such excellent action he can step a three-minute gait with ease if desired.

TO INSURE, $10.00 PAYABLE JANUARY 1st, 1906.

This is a great opportunity for breeders to improve their stock. I have placed him at a very low fee in order that he might be within the reach of anyone who wish to patronize him. I feel sure he will make one of the best horses in this section. So come and see this fine young horse before engaging your good mares. You may as well breed a good one as a scrub, so be careful in your selection of a sire.
