

His Favorite Niece;

A SECRET REVEALED.

CHAPTER XXXI.

Sir Basil called several times at... Sir Basil said, "I shall never forget the reproach in the sweet face that quivered with pain..."

beg your pardon, she said, gently... "I express myself badly. What I mean is, that I receive more pleasure in being allowed to call here than I can possibly give."

CHAPTER XXXII.

Two more weeks passed, and by that time Martin Ray had grown warmly attached to the man whom he would call "young Glen." Martin himself was ill—his health was fast

falling, and he clung to this younger man, so full of health, strength and vitality—only a chance acquaintance...

The Farm

AROUND THE FARM.

More horses are run down by overfeeding than by overwork... The young calves should be encouraged, as soon as possible, to eat their grain dry as it is thus moistened with the saliva, and is much more perfectly digested..."
