## TWO OPEN LETTERS

### IMPORTANT TO MARRIED WOMEN

Mrs. Mary Dimmick of Washington tells how Lydia E. Pinkham's Vegetable Compound Made Her Well.

It is with great pleasure we publish the following letters, as they convincingly prove the claims we have so many times made in our columns that Mrs.

Mrs. Mary Dimmick

Pinkham, of Lynn, Mass., is fully qualified to give her advice to sick women. Read Mrs. Dimmick's letters.

Her first letter:

Dear Mrs. Dimmick—  
I have been a sufferer for the past eight years with a trouble which first originated from painful menstruation—the pains were excruciating with inflammation and pectoral in the womb. The doctor says I must have an operation if I cannot live. I do not want to submit to an operation if I can possibly avoid it. Please help me.—Mrs. Mary Dimmick, Washington, D. C.

Her second letter:

Dear Mrs. Dimmick—  
You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now well. As my case was so serious it seems a miracle that I am cured. I know that I owe only my life to your advice and to your love. If you walk miles without pain or a pain, and I wish every suffering woman could read this letter and realize what you can do for them.—Mrs. Mary Dimmick, 50th and East Capitol Streets, Washington, D. C.

How easy it was for Mrs. Dimmick to write to Mrs. Pinkham at Lynn, Mass., and how little it cost her—a two-cent stamp. What valuable was the reply! As Mrs. Dimmick, we have saved her life.

Mrs. Pinkham has on file thousands of just such letters as the above, and offers any women helpful advice.
