Grey County and District.

Recent Happenings Around the Hub Concisely Reported.

The new town hall at Dundalk is up and roofed. The new school is not making such good headway.

The C. P. R. is making vigorous preparations to move the great crop of wheat now fast maturing in the West. Their Angus shops at Montreal are turning out a new box car every 25 minutes and a new locomotive every seven days.

The Merchants Bank will establish a branch at Chatsworth, having bought out Mr. John McDonald's private bank.

Mrs. George Lee, aged 78, died at her home in Holland on Monday, July 31. She had been a resident of Holland township for fifty-two years.

Judge Morrison, of Owen Sound, has been appointed judge of Prince Edward county, and will reside in Picton. Mr. C. H. Withfield, barrister, of Picton, will be his successor at Owen Sound.

Acton has a new railway station, the bus man has a new bus, Beardmore is building a new tannery and twelve new houses for his employes, the Free Press has a new office and doubtless there are several new babies. That town is 'abooming' right smart.

The Automobile Nuisance.

EDITOR STANDARD—Just to explain what I initiated a state of affairs which is doubtless quite common, allow me to relate a little personal experience. On the 27th July while driving to Clarksburg accompanied by my sister, Mrs. Thomson, we met Mr. Farrar, of Meaford, in an automobile, who came onto the road a rod or so in front of our horse. I got out of the buggy hurriedly thinking to more securely hold the horse by the bridle.

Being that side by side with the auto the horse became uncontrollable and backed into a gravel pit with the buggy and Mrs. Thomson. The man in the auto' by this time had glided swiftly away, apparently not knowing or caring what had happened. On returning home same day we were about to meet another automobile, but by the free use of the whip we got into a lane in safety until it had passed. Now, what I would like to know is, have these automobiles the right of way on the good road and common folk to take the rough and hilly road to town so as to escape damage and maybe death. I presume we could remain at home and do our shopping by mail with the departmental stores, but if automobile manipulators have a right to monopolize our leading roads we want to know it. It is certainly a hardship to be compelled to take our lives in our hands when going to town to do shopping, as many of us farmer's wives and daughters are expected to do, especially during the busy harvesting season when the men have all they can attend to in the field. I may say that while both my sister and myself were considerably shaken up in the above fracas we happily escaped serious injury from the automobile nuisance.

Priceville

The violent wind and rain storm on Saturday did considerable damage throughout the county.

Mr. W. Blakeston, of Dundalk, ably filled the Methodist pulpit here Sunday before last. He also called on many old friends.

Am'g those who took advantage of the cheap rates from Toronto were Misses Emma and Lilla Robertson, Mr. Tridwell, Mr. and Mrs. Alex. Cameron and Mr. Wm. McInToosh.

Dr. Dixon returned last week after a two week vacation.

Mr. Zoin Nichol is improving his residence by having it veneered. Mr. H. Watson is doing the work.

There was no service in the Methodist Church last Sunday, Sacrament being dispensed at Ebenezer. Gaelic Service was held in Presbyterian Church.

Among those holidaying here are: Miss Maggie McLaughlin, at her mother's; Mr. and Mrs. Leggate and Miss Rebecca Nichol, at Mr. John Nichol's; Mrs. (Dr) Dutton and children; and Miss Jean Wright at Miss Mina Wright's; Master Roy Watson at Mr. H. Watson's; the Misses Stotharts at Mr. John Stothard's; and Miss McIntyre at Mr. M. McIntyre.

Kimberley

Mrs. Thompson of Walkerton who has been visiting with friends here has returned to her home.

Mrs. Battle and little son and Mrs. McClelland of Moose Jaw, Assa. spent week reuniting old acquaintances in and around Kimberley.

Miss Steer of Orangeville is holidaying with Miss E. Hurd.

Mr. Geo. Knott and Miss Whately of Thornbury spent Sunday at Mr. Jas. Knotts.

Miss Helen Knott of Markdale is visiting her cousin Miss Edith Hammond. Stuart Bros., butchers, have added to the appearance and comfort of their shop by an awning over the front windows.

The new brick store erected by Mr. Frank Weber presents a very neat appearance. Mr. Geo. Proctor did the mason work.

The Kimberley branch of the Centre Grey Women's Institute held their meeting at the home of Mrs. J. Flewes on Thursday last week. A pleasant and profitable afternoon was spent by a goodly number of ladies. It is proposed to hold a garden party in the near future, the proceeds to go towards putting down new sidewalks in Kimberley.

We hope to see the turn in and help the ladies in the undertaking, as the state of the side's just now is of no credit to the c. ons. A special meeting of the W. I. will be held in the Public Hall on Friday August 14th to make further arrangements and to set the date. Members and other are requested to attend.

Haying is about wound-up now, and the fall wheat harvest is on. Some of farmers have got their wheat safely housed, but in general it is just out, at time of writing a good deal of rust is noticed in the wheat.

'The Ladies' Aid of the Methodist Church will meet at Mrs. Jos. Ferris' on Wednesday.

Lily Oak. Mr. Thomas Bradley and his family have moved into their new residence. Mr. Robt. Wislaw visited Toronto recently on important business.

Mr. James Pace has had a well drilled at his house and has plenty of water.

Mrs. John Hamilton was called away very suddenly the other day to see her brother who is not expected to live.

Mr. Mike Pickett went through an operation for appendicitis.

Mr. Pat Gillean took a trip last Sunday to Dorcock to see his sweetheart and we hope he had a good time.

Mr. John Johnston was over to see his brother William and family.

Mr. Thomas Hampton, of Cleveland, Ohio, was over to see his father and mother, Mr. and Mrs. Wm. Hampton.

A Warning to Mothers. Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil and see that it's fresh, as rancid oil causes and has a tendency to gripe.

If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipient and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indications of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of Cholera infantum. For sale by R. L. Stephen.

Tenth Line Corners. Haying weather is very poor this year on account of my muel rain and still weather, although the greater part have finished and the others are almost through.

The fall wheat harvest is coming in, now and threshing will soon be order of the day.

The crops seem very good this year for all the harm the wind and rain has done.

Knox Church, Holland, held their annual garden party on Thursday July 27th which was a great success. The Tenth Line boys and a picked team of the Town Line and Walters Falls team played a football match the Tenth Line team winning by 1 to 0.

Supposing the Correspondent has died, the boys have not.

Waudby (Intended for last week.) Haying is now over and harvest in full swing.

Colin McArthur and Sam Baines have purchased two new hay loaders and Sam says, "I am a good man but that new hay loader is too many for me."

Mr. George Torry has purchased a new McCormick binder and mower from Jackson & Hannah, Markdale. Misses Catherine and Nina Henderson left for Cleveland, Ohio, on Tuesday morning. It is too bad that our Waudby girls will go far from home, Mr. Dan Murdoch and his sister, Miss Maggie, Sundaying in our burg.

Miss Maggie Goodwill is very sick at present. We hope to hear of her speedy recovery.

WHY SO WEARY?

Always Restless and Weak Isn't Natural—But It's Dangerous. You have to work hard. This uses up lots of nerve force and tears down the body faster than it can build up. The result is a half-dead feeling you can't shake off. Something you must do more vitally. The water in your blood must be turned into nutriment and building material. This is just what happens in using Ferruzone, which renews the blood and nerves, and makes each organ do the work that nature expects of it. Ferruzone quickly increases your weight, brings appetite and healthy color, instills a reserve of vigor into the system that defies weariness, exhaustion, debility or sickness of any kind. The enormous strengthening power of Ferruzone is proved in the case of Mrs. Edward Hill of Orr Lake, Ont., who says: "Two years ago I had a nervous breakdown. At night I tossed restlessly in bed, unable to get any rest or sleep. In the morning I suffered from overpowering weakness. My appetite was poor. I grew pale, thin and despondent. A slight hacking cough also added to my burden. "My Doctor said to try Ferruzone, and it did me good in a few days. I increased in strength, the nervous system disappeared, and with my appetite came back my color and good spirits. I have gained over ten pounds in weight, and as my age is 56, I consider Ferruzone a marvel." (Signed) Mrs. Edward Hill.
