

# PSYCHINE

(PRONOUNCED SI-KEEN)

**COUGH AND LUNG TROUBLE**

"PSYCHINE" differs radically from the old fogey medicines. It is compounded on new and advanced methods of curing disease, otherwise it would be just like scores of others, without any exceptional merits. But "PSYCHINE" possesses virtues of healing that no other preparation in the world does. There never has been in the history of medicine, such a remarkable remedy, for the prompt and complete cure of obstinate coughs and lung trouble. There is nothing else just like it, or nothing else one half so good. Thousands of men and women readily and enthusiastically give testimony to prove the statement.

## PSYCHINE BUILT ME UP

Linden, N. S., June 7th, 1904.

I cannot speak too highly for your excellent "Psychine" in curing my chronic cough, lung and declining conditions. My brother, mother, and I, through the use of PSYCHINE, I have gained a tendency in this direction, and some years from a distressing, obstinate cough and weak lungs. PSYCHINE and OXOMULSION, and they built me right up. My lungs are strong and I enjoy splendid health. Yours truly,

"ELLA M. COVE"

### Knox Church Garden Party.

The annual garden party in connection with Knox Church, 10th con. Holland, was held on the grounds adjoining the church on Thursday evening 27th July. As the weather was all that could be desired there was a large crowd notwithstanding so many in the neighborhood were busy at the hay. The inner man was well provided for in the basement of the church where the tables, beautifully decorated with flowers, were loaded with the most tempting eatables. Outside, a tent under the management of the young people of the congregation supplied ice cream, fruit in season and candies. Needless to say the tent was well patronized throughout the evening. After tea had been served the town line football players faced a scratch team from the 10th line. Both teams played so that only one goal was scored before dark, the tenth line being the winners. Swings and other outside amusements were kept up until the program began in the church. The choir in the course of the evening gave two anthems, which were well received; also a college song and chorus "Ujidee," brot forth a vigorous encore. Messrs Rowell and Mason, members of the choir, sang the duet "List! 'tis music," with fine effect and were heartily applauded. Beatrice McLaren gave a Scotch selection "Jock O'Hazeldean" followed by Wm. Howey of Massey with a patriotic song. Addresses were given by Rev. Mr. Black, of Hoathhead and Rev. Mr. Matheson of Chatsworth. Mr. Black's theme was "Flowers," a sort of moral lesson in instructive and pleasing to the young folks. Mr. Matheson with his sympathetic voice and clear vigorous style gave an excellent address on "Church prosperity," which would benefit all who heard it. The special feature of the evening was the singing of Miss M. Galbraith of Chatsworth accompanied by Miss Lauder of Durham. Miss Galbraith has a well cultured voice of great power and compass. Her enunciation is all that could be desired and adds greatly to the charm of her voice. Her six selections were a great musical treat to all those present, the special favorites being "The Highland Man's Toast," "Afterward" and "Lies long dream" (duet). The program came to close at 11 o'clock. The proceeds were upward of \$80.00.

### A WOMAN'S ORDEAL

DREADS DOCTOR'S QUESTIONS

Thousands Write to Mrs. Pinkham, Lynn, Mass., and Receive Valuable Advice Absolutely Confidential and Free

There can be no more terrible ordeal to a delicate, sensitive woman than to be obliged to answer certain questions in regard to her private life, even when those questions are asked by her family physician, and many

Delle E. Montreuil

continue to suffer rather than submit to examinations which so many physicians propose in order to intelligently treat the disease; and this is the reason why so many physicians fail to cure female disease.

This is also the reason why thousands upon thousands of women are corresponding with Mrs. Pinkham, at Lynn, Mass. To her they can confide every detail of their illness, and from her great knowledge, obtained from years of experience in treating female ills, Mrs. Pinkham can advise women more wisely than the local physician.

Delle Emerence Montreuil, of 114 Latourville St., Quebec, Que., writes:

"Dear Mrs. Pinkham—

"I suffered for eight months with what the doctors called prolepsis, which caused great weakness all over my system, with fainting spells. I kept growing weaker and weaker. I tried several medicines which they claimed would cure my trouble, but nothing was of the least benefit until I tried Lydia E. Pinkham's Vegetable Compound, and this helped me so rapidly that I could hardly believe my good fortune. I would gladly have paid \$5.00 for that first bottle, for it started me on the road to health, and five bottles cured me.

"I am most grateful for your splendid, robust health, and shall certainly recommend the Vegetable Compound in glowing terms to all my friends and acquaintances for it is deserving of all the praise I can give it."

Mountains of proof establish the fact that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for restoring women's health.

### portable mill and Albert Clarkes threshing Engine to complete the work.

John Murray our genial mail carrier who purchased from Mr. John Clarke some weeks ago his 200 acre farm in the Township of St. Vincent was fortunate in securing one of the best stock farms in this part of the County at the right price. Mr. Murray is not asleep while driving to and from Meaford but is looking out for a good bargain when ever one is to be had. Should Mr. Murray and family decide to move to our village we will give them a hearty welcome.

Mr. James Murray who had just got the brick work of fine new house completed was very unfortunate in having a portion of the front wall blown in by the severe storm on Tuesday, which will cause a good deal of extra expense and labor.

Miss Pearl Peterson had a narrow escape on Sunday July 23rd, her younger Robbie after hitting the pony to the buggy undertook to change the bridle but when the pony found its self clear it made off at a lively pace, up-setting the buggy throwing Pearl who was already in the buggy out. She escaped with a few bruises but does not care to take another ride after a horse without either bridle or lines; the buggy looks like as if it don't either.

### The Worst Of A Cold.

Is how suddenly it comes. No time to hurry to the drug store, croup develops, the lungs are affected with pneumonia or bronchitis and it's too late. Keep Catarrh from the head—it kills colds instantly. Something magical about the way it cures Catarrh and Bronchitis. Catarrh is the best remedy because it cures in nature's way. Wholes, soothes and restores permanently. Carry a Catarrh Remedy in your pocket, use it occasionally and you'll never catch cold—that's worth remembering!

### Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obo Wither, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by R. L. Stephen.

### Shelburne

The old time sports seem to be coming to be coming to the front again in our town. One of our spry merchants was feeling the effects of it one day last week, when he challenged one of our Doctors to a 100 yard dash for \$1.00 a side. But when our stout Doctor got his head checked up he showed such speed that his opponent though showing good action was totally eclipsed. We did not learn the time but judge it must be a record breaker.

Mr. R. E. Mortimer of the Free Press moved his business into his new and commodious premises two doors east of the post office last week.

A very disastrous fire took place on Tuesday last week when E. Berwick & Co.'s large elevator in this town was totally destroyed. Loss about \$15000, Insurance \$11000.

Rev. J. A. McKenzie, the new Minister for the Presbyterian Church of this place, moved into town to-day (Tuesday) and will be inducted into his new charge in the evening. We welcome him to our town and wish him abundant success.

Rev. R. B. Strangways B. A. B. D. pastor of the Methodist Church of this place paid a visit to his former charge (Parry Sound) last week.

The prize lists for the Dufferin Central Fair to be held on Sept. 24 and 27 are now out. A copy can be had by addressing the Secretary R. J. Watson Shelburne.

A little forethought may save you no end of trouble. Anyone who makes it a rule to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand knows this to be a fact. For sale by R. L. Stephen.
