DISTRESSING CASE OF CON-SUMPTION.

Four of One Family Pass Away-Inst Daughter Now Ill.

A Toronto clergyman tells of a family in his congregation, which consisted of the mother and five children—the father being dead-four of whom in a few years have fallen victims to consumption and died. And now the fifth, a daughter, very appropriate sermon to a large who is employed in the office of a wholesaler, and who has been the one source of support to the mother, is obliged to leave visiting her uncle, Mr. Wm. Artley, of her work, realizing that she also-mainly, it is believed, as a result of nursing her brothers and sisters—has contracted this dread disease. Kind friends are interesting themselves in the case, but the difficulty met with is to send her to a place where the proper care and treatment will be given.

It is for such cases as this and there is hardly a clergyman in any city who is not constantly meeting such appeals—that the new Free Consumptive Hospital, under the auspices of the National Sani-tarium Association, is being built. The people of Canada as a whole must feel grateful to Mr. W. J. Gage and the executors of the late Hart A. Massey, who out of their own funds have erected this building. But before it can be occupied it must be furnished with beds and other proper furnishings and appointments. The National Sanitarium Association, already carrying a heavy debt, are not able to furnish the new building so generously placed at their disposal, and are appealing to citizens generally the Dominion

over for \$10,000 for this purpose. It does not need the suggestion that this is the most pressing of all charities at this time, for the public are fully awakened to the widespread character of consumption; and also to the fact, as demonstrated by the best medical authorities, that when this disease is taken hold of in its early stages it, as much as any other disease, is curable. The new hospi al, just so soon as the money is raised t complete the furnishings, will be ready to receive fifty patients, free of charge-even their railway fare will not be a tax

upon them. Chief Justice Sir Wm. R. Meredith, 4 Lamport Ave., Toronto, has kindly consented to receive contributions for the Free Consumptive Hospital; or they can be sent to Mr. W. J. Gage, 54 Front St. West, Toronto; or to the National Trust Co., Limited, 22 King St. East, Toronto.

To Cure a Cold in One Day Take LAXATIVE BROMO QUININE Tablets, All druggists refund the money if it fails to onre. E. W. Grove's signature is on each box. 25c.
