Cupid has not often been in a more romantic mood than when, a short Stokes, a young American million-gire and philanthropist, lay his heart tor; and seldom has a heart been lost New York, and when bent on errands of charity, that these two lovers

first met.
Mr. Stokes is the son of a millionnire banker, and springs from a line of Governors of Massachusetts, while Miss Pastor is a "daughter of the in Black Lion Yard, Whitechapel, and carned her living as a cigar-maker before she became social reformer and began to work among the destitute in New York slums. By such strangely opposite and diverse paths these two young people have and a few days ago the "child Chetto"-who is a pretty and charming lady-stood at the altar with her bridegroom-Croesus, and with a \$25,000 pearl necklade-his giftround her neck Cupid: one may imagine, is never happier than when linking lives and bridging social gulfs in this dramatic way. We need not go outside our

MISCHIEVOUS LITTLE IMP. And if the marriages are not always di as happy as they ought to be-well, the lwe can scarcely blame him; he played his part creverly, and there the
