What is a Backache?

IT IS NATURE'S WARNING TO WOMEN

Diseases of Woman's Organism Cured and Consequent Pain Stopped by Lydia E. Pinkham's Vegetable Compound

"It seems as though my back would break." Women utter these words over and over again, but continue to drag along and suffer with aches in the small of the back, pain low down in the side, "bearing down" pains, nervousness and no ambition for any task.

They do not realize that the back is the mainspring of woman's organism, and quickly indicates by aching a diseased condition of the womb or kidneys, and that the aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound for twenty years has been the one and only effective remedy in such cases It speedily cures all womb and kidney disorders and restores the female organs to a healthy condition.

Here is one cure among thousands:

Dear Mrs. Pinkham:—

"I suffered a long time with ovarian trouble, having intense pains in the back and abdomen and very sick headaches every month. I was tired and nervous all the time and life looked very dreary to me and I had no desire to live until I began to take Lydia E. Pinkham's Vegetable Compound and to get some relief My recovery was slow but it was sure, and I have never regretted the money spent for the Compound as it brought me back to good health.

"It seems to be a medicine especially adapted to the ills of our sex and I am glad to say a good word for it.—Mrs. Albert Mann, 154 Gore Vale Ave., Toronto, Ont.

No other person can give such helpful advice to women who are sick as can Mrs. Pinkham. Her address is Lynn, Mass., and her advice free.

East Grey Fair, Flesherton.

The most successful in the history of the society goes on record for East Grey fall fair this year. For this the beautiful weather is alone to be thanked. As for the fair itself it was about on a par with other years, although in some departments the exhibits were considerably short—notably in ladies work. In this department the new blood on the directorate appear to have made a blunder by cutting down the prizes. This will have to be remedied. Nor is the horse racing alone going to prove the drawing card in the future which the directors appear to think it. There are a large proportion of people who do not care if they never saw a horse race, and others who would go a long way to keep away from such a sight as was afforded on Thursday last when one horse was forced around the track with blood dripping from its mouth. The directors were certainly derelect in their duty that they did not have the owner of that horse fined for his cruelty.

The stock exhibit was good. Among exhibitors of fine stock were: Jacob Lougheed, of Wodehouse. showed a pen of 17 Oxford Down sheep, including an imported ram and ewe. A. Muir, of Ceylon, exhibited a pen of 13 Leicesters and another of 12 Cotswolds. Mr. Kernahan, of Feversham, showed his choice Shropshires, including an imported ram. Exhibitors in other classes will be found in the prize list as given below.

The attendance was fully 2000 and the straight gate receipts amounted to $365.75.

A Bad Bruise.

Often causes a good deal of trouble. The best cure is a prompt application of Nerviline which instantly stops the pain, prevents swelling, removes all blackness and discoloration. Nerviline is antiseptic, prevents blood poisoning. No liniment so strong, so penetrating, so swift to destroy pain. You miss a lot of comfort by not using Polson's Nerviline. For nearly fifty years it has been the standard family liniment of Canada.
