FLESHERTON HAPPENINGS
(By our own Correspondent.)

The meeting in the interests of the Lord's Day Alliance was held in the Methodist Church on Friday evening last had a small attendance, but we believe it was not so much lack of interest as that other occurrences interfered. Rev. L. W. Thom presided, and Rev. R. H. Horne of Toronto gave an instructive address on the work of the Alliance. Officers for the local branch were elected as follows: President, J. A. Folstead; Vice-Presidents, the resident ministers; Sec.-Treas., W. H. Bunt; Committee, two members from each congregation, to be elected.

The trustees of Flesherton cemetery have had a substantial and very neat wire fence erected on the front of the cemetery. Over the double gate entrance is a handsome arch neatly lettered "Flesherton Cemetery." The cost will be over $300, for which there will be ample in the Treasurer's hands.

The Wilson Planing Mill is, we learn, changing hands, owing to Mr. Wilson's too ill health to continue the management. The new firm will be Boyd Bros. and T. A. Blakely, who are purchasing the stock and leasing the mill. Mr. Blakely has been employed in the mill the past year and is therefore familiar with the business; and Boyd Bros. being enterprising and successful business men the mill is passing into good hands.

Mr. Isaac Turner, who was recently married to Miss Margaret Rutledge of this place, was on his return to Winnipeg with his bride presented by his employer with a beautiful silver tea set and tray as a token of appreciation. A handsome brass clock and other valuable gifts were also received from other friends.

A burning coal oil lamp was upset and broken in Mr. Clayton's shoe store one night last week. The oil ignited, but was fortunately extinguished before any further damage was done.

Born—At Toronto, on Tuesday, the 10th Oct., to Dr. A. E. and Mrs. Webster, a daughter. Congratulations to the parents and also to Mr. and Mrs. M. K. Richardson of this place on this happy addition to their grandchildren.

Our public school staff attended the Teachers' Convention at Durham on Thursday last. Principal Mansell returned home and taught on Friday, but Miss Beattie and Miss Coulson went on the teachers' excursion to Guelph.

Mr. Charlie Richardson lost a highly prized young dog a few days ago. While out in the woods hunting the dog appears to have run across poisoned bait and eating it died soon after.

There were good congregations at the anniversary services in the Methodist church on Sunday and able and edifying sermons were preached by Rev. N. Wellwood of Dundalk. The free-will offering was also good. Appropriate music was given by the choir and the ladies had the pulpit platform prettily decorated with plants and flowers.

In the absence of Rev. Mr. Thom, who was supplying for Rev. Mr. Shepherd at Markdale, Rev. John Stafford, M.A., preached in the Presbyterian church on Sunday and gave a very thoughtful and much appreciated sermon.

At the regular meeting of Prince Arthur Lodge A.F. & A.M., on Friday evening last there was presented to the lodge through the Worshipful Master a rare gift from Mr. J. C. Morgan of Barrie, an ex-D.D.G.M. of this Masonic District. It consisted of a sprig of acacia or Shittim wood, reference to which is made in the ceremony of the Masonic Order. A number of the much prized sprigs were secured by Mr. Morgan while on a visit to California in March last. They were taken from two trees which survived of five brought from Palestine twenty years ago by an enthusiastic old Mason. The lodge noted its appreciation by a unanimously adopted resolution thanking Mr. Morgan for the prized Masonic emblem.

Mr. and Mrs. Charles Wice, Toronto line, have the sympathy of their friends in the loss of their infant son who died on Sunday two months and five days old. Interment was made in the public cemetery here on Monday afternoon.

Mr. St. John, who has been for some time tinsmith for F. G. Karstedt here, is we learn with a partner going into business at Port Law in the post office and store conducted by Mr. George Thompson, who is moving to Chatsworth.

Mrs. Patch and family have moved to Toronto and Mr. John Porteous who purchased her property has moved to the same.

Mr. Ben Wilson, who left here to take a position in a factory in Toronth a couple of weeks ago, met with a painful accident last week. A piece of steel struck and lodged in the pupil of his eye, but has we learn been successfully removed. Upon learning of the accident his brother Will went to the city but danger past he returned home Saturday.

Rev. Dr. Caldwell and Mrs. Thurston were at Maxwell on Wednesday evening of last week delivering addresses at Womens Missionary anniversary.

Dr. Caldwell was at Dundalk on Sunday conducting anniversary services in the Methodist church and was at Inistogue on Monday evening a speaker at the anniversary entertainment there.

Mrs. Thom, Mrs. Blackburn, Miss Matheson and Miss Coulson were at Eugenia on Monday evening assisting at the Presbyterian anniversary entertainment.

Mrs. Jos. Buchanan and daughter of Mesford Road left last week for a month's visit with relatives at Lindsay.

Mr. and Mrs. Will Moore spent Sunday with friends at Durham.

Mrs. England and children of Coldwater are visiting the former's parents, Mr. and Mrs. John Breen.

Mr. R. J. Sproule received a telegram on Saturday from his son Fred, who had landed at Quebec on his return voyage from London.

Mr. and Mrs. Smith of Corbetton visited at Mr. Herb Smith's on Sunday.

Miss Wass, the talented reader of this place, was at Harkaway on Monday evening filling an engagement at an entertainment in the Methodist church there.

We thank THE STANDARD for a copy of Dr. Campbell's excellent paper, in neat pamphlet form, on "The Care of Children's Teeth."

In our news last week re Runstedler's horse inflammation was incorrectly reported rheumatism by the STANDARD typo.

Eugenia

Married, at the Methodist parsonage, Markdale, Wednesday, October 12th, by the Rev. Mr. Wilson, Mr. William Hawkins to Miss Sarah Duckett, eldest daughter of Mr. and Mrs. J. H. Duckett, of this place. As the young couple are both well and favorably known, the hearty congratulations of a large circle of friends are extended to them, wishing them prosperity and happiness, [illegible] all sorts of good luck in their new home, the Morey farm.

Mr. John Walker, of Creemore, is a welcome visitor with Mr. and Miss Beecroft, of Edenvale.

Married, at Collingwood, on Wednesday, October 12th, Miss Alice Roy to Mr. Joseph Thompson, Feversham. As the bride was one of our most popular young ladies, the congratulations of a large circle of friends are extended to them, wishing them every happiness and prosperity. They will reside on the farm near Feversham.

Mrs. Stephen Roy and Miss Jennie were around bidding their many friends good-bye, as they leave on Tuesday for Mont Clair, New Jersey, to spend the winter in Uncle Sam's domains.

The Rev. Mr. Shepherd, of Markdale, filled Mr. Thom's appointment here on Sunday. A large and appreciative audience attended both morning and evening service, it being anniversary Sunday.

Rev. and Mrs. Shepherd are the guests of Mr. and Mrs. Samuel Pedlar at Summer Hill, Eugenia.

On Monday last our popular mail carrier, Mr. John Weber, had a very exciting experience for a little while. When about a mile from Eugenia his span of spirited bays took fright at some object and started. Talk about automobiles, they are nowhere compared with that team. Mr. Weber kept his seat and when near Jake Williams' barn headed them for the fence, which they jumped like racers. Mr. Thomas Gilliland, being near, came to the rescue and got them stopped. They escaped with a few scratches. Mr. Richard Smith was a passenger at the time, but doesn't want another drive like that. People thought the Fying Dutchman had come back.

Shelburne

(Intended for last week.)

The weather continues most beautiful, giving every person ample time to get their outside work completed.

Our big Fair passed off nicely. Excellent weather and larger crowds than usual. The hall far surpassed any previous year. In every way the exhibition was a decided success.

Our town fathers are having the frame work under the reservoir repaired by replacing some of the posts.

There was a lively time for a few minutes one day recently on the Main street. Mr. Elijah Hamilton and his little son, about 12 years old, were driving up street and when in front of the Mansion House the tongue of his democrat dropped down, his team of bronchos took fright, dashed off at a good pace and ran against a telephone post in front of R. J. Watson's harness shop, upsetting the rig upon Mr. H. and son, and dashed up towards the station, leaving the rig behind. Mr. Hamilton and son were soon taken out from under the rig not much the worse for their exciting experience. The rig escaped with a broken shaft and dash torn off.

E. Berwick & Co. are rushing on their large elevator and will likely have it ready for business in a month or six weeks. It will be an A. 1, up-to-date elevator when completed.

The members of the English church are preparing for a big concert on the 20th.

Mr. and Mrs. R. Clarke, of Walters Falls, and Mr. W. L. Young, of Markdale, visited our Fair on September 26th. Mr. and Mrs. C. remained a few days visiting in our town.

Purgatives are Dangerous.

They gripe, cause burning pains and make the constipated condition even worse. Physicians say the ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut; they are exceedingly mild, composed only of health-giving extracts. Dr. Hamilton's Pills restore regular movement of the bowels, strengthen the stomach and purify the blood. For constipation, sick headache, biliousness and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c. box yourself.

Vandeleur

Mr. Samuel Bowles and Miss Florence Davis returned from the West last week. The latter has spent the summer there and the former has been assisting in reaping the grain of the golden west.

Throw Medicines to the Dogs!

At best they are unpleasant, often useless. You have some disease of the nose, throat or lungs. Doctors would call it bronchitis, asthma or catarrh. The common root of these diseases is germ or microbic irritation,—Catarrhozone not only destroys disease germs, it does more, it heals diseased and inflammed tissue. The disease is not only cured, but its return is forever prevented by using Catarrhozone which is splendid also for colds, couch and irritable throat. Remember, you inhale Catarrhozone—Nature's own cure—use no other but Catarrhozone—it's the best catarrh cure made.
