FLESHERTON HAPPENINGS
(By our own Correspondent.)

Dr. Murray's residence had a narrow escape from fire on Friday last. The Dr. undertook to burn out a sooted chimney from an upstairs bedroom and after fixing it went outside to watch against danger on the roof. In his absence fire fell from the open flue of the chimney and ignited the window curtains. The blaze was observed by grocer Wright and Mr. James Russell, of near Dundalk, who rushed in and extinguished it, but considerable damage had been done to furnishings in the room which had filled with smoke almost to suffocation.

Rev. J. B. Wass conducted a series of special services at Mount Zion church on Friday evening last and we understand the meetings were successful.

Revs. G. F. Hurlburt and L. W. Thom exchanged pulpits on Sabbath last, the former conducting anniversary services at Proton Station, preaching morning, afternoon and evening. Rev. Mr. Wass preached in the Presbyterian church here and his service at Mount Zion was taken by Mr. J. A. Felstead, who also preached in the Presbyterian church at Eugenia.

Mr. W. Burnett has leased Mr. McGill's farm near Ceylon and moved to it last week. Mr. Joseph Clinton has removed to Mr. Burnett's house and Mr. Robt. Moore to Mr. Stewart's residence vacated by Mr. Clinton. The house vacated by Mr. Moore will, we learn, be occupied by Mr. Bleker, now living in the Ekin's residence a mile and a half out.

Rev. G. F. Hurlburt, Rev. Dr. Caldwell, Dr. Murray, Miss Zilla Trimble, and Miss Coulson were at Proton Station on Monday evening assisting at the Presbyterian anniversary entertainment.

Union Thanksgiving service will be held in the Baptist church here at 11 a.m. on Thanksgiving Day. Dr. Caldwell will preach.

At the Christian Endeavor meeting in Chalmers Church on Thursday evening last Mr. J. A. Felstead and Mr. Jos. Radley were elected delegates to the Orangeville Presbytery Y. P. S. convention to be held at Caledon on Nov. 13th.

Mr. and Mrs. Geo. Mitchell were in Toronto last week attending the funeral of the former's niece, Miss Lillian Southgate, who died of typhoid in a New York Hospital, where she was taking a postgraduate course as nurse. Mr. and Mrs. Southgate's friends here sincerely sympathize with them in the sore bereavement by the death of their beloved daughter.

Mr. and Mrs. Herb Smith were at Erin last week visiting friends and attending the Fall Fair there.

Mrs. Challanger of Mt. Forest is visiting her brothers, J. A. and W. J. Boyd. Mr. Challenger spent Sunday here.

Mr. Charles McMullen has returned from Manitoba and we learn not much enamored with the West.

Mr. W. Trimble returned on Monday from spending a few days in the city.

After an absence of 25 years Mr. Wm. Good, who now lives in Nebraska, is visiting his sister, Miss Ann Good, on the old homestead, east back line.

Married—On Wednesday, October 18th, at the residence of the bride's parents, Hamilton Street, Toronto, by Rev. Robert Herbison, Grace Anderson, youngest daughter of Mr. George Banks, to William Newton Hemphill of Toronto. The groom, who is the eldest son of Mr. James Hemphill, of Toronto, formerly of Ceylon, was a very highly esteemed young man in this community and we join his numerous friends in congratulations on this happy event in his life. Mrs. Crossley of this place was a guest at the wedding and remained in the city to visit friends.

Editor Thurston leaves this week on his annual holiday and will spend about three weeks hunting in Parry Sound district. We wish him big luck.

Mr. M. K. Richardson, who has been in England for three months, is expected to be home the middle of this week. The vessel in which he sailed from Liverpool reached Father Point on Sunday.

Rocklyn

The Rev. F. G. and Mrs. Scott of Ravenna visited Mr. and Mrs. George Crabtree last week.

Miss Flora Irwin was the guest of Mrs. (Dr.) A. L. Daynard while in Owen Sound recently.

Mr. and Mrs. A. Hartley entertained a large number of tbeir friends in the village and suburbs at a fowl supper on Friday evening. A very enjoyable evening was spent in daubing, playing of games and social intercourse.

Mr. James Gardner sold his farm stock by auction on Friday last.

Mrs. Crabtree and son Dawson are visiting friends in Collingwood and Nottawasaga this week.

Traverston

Thanksgiving time tends to grateful reflection and to physical feasting. Such is life—"under the sun."

Miss Jennie Davis returned to Toronto last week after a month's holidaying at the old home here and with her sister, Mrs. Joe Firth, in Durham.

Some deem winter nigh at hand; but from the numbers of Robins, bluebirds and other summer songsters still on the woodland, we predict a month of good weather yet, before winter.

The annual beef-ring meeting at the close of the season was held in Hastie's cosy hall last week. Big crowd present, all happy. The total weight of animals dressed was 6550 lbs., an average of 409. Hearty votes of thanks were tendered Mr. Tom Turnbull, the butcher, Mr. Thos. E. Blair, secretary, and Smithy Hastie for the use of his hall. Mr. E. W. Hunt was re-elected president and the business was nicely organized for season of 1906. A committee was appointed to arrange for a big fowl and oyster supper later on. "The old chaps are gittin jolly," said one of the boys.

A most happy union took place in Milestone, Saskatchewan, on October 11th, when Dr. R. A. Maitland Cook was wedded to Miss Anna May Glenn, a skillful nurse and a winsome maiden. The Dr., who was most widely known and very popular throughout this locality, has been very successful since going West and has a large and rapidly increasing practice. Many good wishes go out to them in the new life.

W. J. Edwards' sale on Friday was fairly successful despite the storm. Calves averaged $9 each, yearlings $15.50, and a 2-year-old filly brought $130. A spring colt sold at $65.00. Auctioneer Noble never grows old, nor loses any of his magnetic power.

Another landslide has occurred on what is known as the "Glencross Fill," This township monument requires heavy annual repairs. A man's bad contracts live after him.

Hustler.

Eugenia

At present so much rain has made roads unpleasant for travel, yet our genial mail carrier is on hand to the minute, although he has steep hills to climb.

Again the wedding bells have rung a merry peal at Eugenia. On Wednesday evening last at the residence of Mrs. McCallum, Mr. Alexander McCallum, of this place, and Miss Mamie Teeter, of Vandeleur, were united in marriage, Rev. L. W. Thom performing the ceremony. A goodly number of friends were present to witness the happy event. Miss Teeter, of Erin, acted as bridesmaid. Mr. Lorrie Munshaw, of F. T. Hill & Co.'s, Markdale, assisted the groom. Some very handsome presents were received, which shows the esteem in which the young couple are held. A sumptuous supper was laid, to which all did ample justice, and a most delightful evening was spent by all present. The hearty congratulations and best wishes of a large circle of friends is extended to them, hoping the journey of life for them may be very pleasant.

Don't forget the grand concert in the Orange Hall on November 6th. A good time is expected. All are cordially welcome. Tea served from 6 to 8. Admission 25c and 15c.

Walters Falls

It is with deep regret we are called upon to chronicle the death of little Reta, the little girl of Mr. and Mrs. Thomas Dixon, which occurred at the home of her grandparents, Mr. and Mrs W. J. Shepherdson, last Friday evening. Reta was a bright, healthy little girl of three years, and much sympathy is extended to the parents by the whole community in their deep bereavement. The funeral took place to the Methodist cemetery here on Sunday, the 22nd inst., and was largely attended by friends and relatives. Rev. G. Lawrence conducted the services.

Mr. Pickell student of Huron College, London, occupied the pulpit very acceptably in St. Philip's church here last Sabbath and will preach here for some time.

We are pleased to hear that John Love and R. L. Purvis, who have been ill for some time with typhoid fever, are much better and are consilered to be out of danger.

Mrs. W. H. Reid, who has also been been ill, is fast recovering.

Rev. Mr. Magee, of Toronto Conference, evangelist, has been holding special services in the Methodist church here during the past week and notwithstanding the unfavorable weather there has been a good attendance at each meeting.

The members of L. O. L. No. 176, and visiting brethren will meet in their lodge room at 2 p.m on Sunday, Nov. 5th, and proceed to the English church where a sermon suitable to the occasion will be delivered by the rector, the Rev. J. R. Newell.

An Open Letter.

Readers of THE MARKDALE STANDARD will remember a letter published last spring setting forth a few facts with regard to the selling of Flour in Markdale and neighboring towns. A very great percentage of people realized for the first time that Markdale Mills manufactured Manitoba flour notwithstanding misrepresentation of many flour dealers; but the public are beginning to appreciate their home mills more, and why not? It is an erroneous idea that some people have gotten into their heads that Markdale Mills cannot make as good flour as the western mills. I will put my Ford's Patent (all Manitoba) up against anything that was ever made in Canada. I supply four bakers with Ford's Patent and if it wasn't as I represent it to be I would not have their trade. Markdale citizens get better bread than Toronto citizens do, which scores of our town and country people can testify; and the travelling public are continually commenting on the excellent bread we get in Markdale. There are two reasons: 1st, We are fortunate in having one of the best bakers in the land; 2nd, He uses Ford's Patent. The Manitoba wheat is much better this year than last, so the Flour is that much better in proportion. Now, when you want a sack of Manitoba Patent Flour try a sack of Ford's Patent and be convinced of the truths I have stated here. Do not let any dealer say it's all bosh or such like, but tell him you must try Ford's. One more matter I wish to warn the public against is: When you ask for Ford's Flour do not let the dealers put Morning Glory onto you, as has been done repeatedly, Such dealings are not right, either to the buyer or myself. My Morning Glory is excellent flour, made of equal parts Ontario and Manitoba wheat, and 75 per cent of the public would sooner have it for general use. Trusting I have stated the matter clearly enough so all can understand, I remain,

Sincerely yours,
J. W. FORD.
