Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts?" These significant remarks prove that the system requires attention.

Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some uterine derangement. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women.

It has been the standby of intelligent American women for twenty years, and the ablest specialists agree that it is the most universally successful remedy for woman's ills known to medicine.

The following letters from Mrs. Oakes and Mrs. MacNamee are among the many thousands which Mrs. Pinkham has received this year from those whom she has relieved.

Surely such testimony is convincing.

Mrs. J. P. Oakes of Prince of Wales Hotel, Head of St. Margaret's Bay, near Halifax, Halifax County, Nova Scotia, Canada, writes:

I fear Mrs. Pinkham—

"After what your Vegetable Compound did for me, I am a firm believer that it is a wonderful medicine, and that any woman who is troubled with any of the ills we suffer from should try it, and she will soon be convinced of its worth. Six bottles changed me from a peevish, despondent, sickly, ailing woman to a stout, temperate, healthy one who rarely ever has a pain now, and who before was rarely without one. As a regulator, strengthener and tonic, I think it has no superior and I certainly endorse it."

"Run Down System"

The solid parts of our bodies are continually wearing away, and require to be repaired by medical substances that restore the lost vitality. There are only two methods of building up the run down system. You can consult the physician, or commence treatment with Dr. Slocum's famous remedy, "PSYCHINE." In all probability "PSYCHINE" will be the best doctor, and the cheapest in the end. Scores of medical men advise its use in the worst cases of decline and weakness. It is an invaluable tonic, pleasant to the stomach, builds up the run down system, strengthens the nerves, sets the liver right, cures dizziness and headache, creates appetite, and is an all round family medicine, used by thousands of men, women and children in every part of the Dominion. Ask druggist about it.

The Beautiful Cuckoo Valley

As seen from Mount Pisgah.

Where high rocks stand and broad farm lands. On the back ground stretch away. There viewed from those lofty hills so grand. A long deep valley lay. While the fading green on the landscape seen. Off the hunter's dying splendor. Gloomed on through the changing mellow sheen. In rays most soft and tender.

And nestled there on the hillside fair Midst orchard trees and flowering. Stands low a peaceful hamlet where 'Twas seen through light and shadow. As shades on night from the pale blue sky.

In the beams descended. Till the autumn tints with the light near by. Into richest blues were blended.

There the deep swift tide of the Beaver glides. And cedars bend and quiver. Their graceful forms where pool waves hide. Near the banks of that rolling river.

And bright winged birds in the wood-lane street. The leaves as they sped along; Through the grassy vale where seen and heard. Not yet graded nor painter's hand. Could form a scene more fair. That dawned on my sight like some fairy land.

While I stood gazing there. On the rocky steep and that valley deep. As it stretched north for a wide. In many a picturesque retreat. Far down the mountain's side.

Where the sunset glow, shed high and low. Its light from the golden west. That beamed awhile on the fields below. Then hid on the river's breast; As the twilight shades calm and gently laid. Her robes of that scene so fair. While the deepening gloom on the hills and glades. Left the valley dark and bare.

Local Option in Egremont.

Egremont Township Council unanimously decided to allow the ratepayers to vote on Local Option in January. The following item is taken from the minutes of the Egremont Council in the Mt. Forest Representative:

"Dr. Brown and others presented a petition to the council signed by over 400 ratepayers asking that a by-law prohibiting the sale of intoxicating liquors in the township of Egremont be submitted to the ratepayers for ratification. Dr. Brown addressed the council on behalf of the petitioners, and some unknown gentleman spoke in opposition to such a measure. The reeve said he believed in representative government, and as this was the largest petition ever presented to an Egremont council, it would not be in accordance with the wishes expressed in said petition to lay it aside and thus block the way. By ignoring it would be setting aside the wishes of a large number of electors. The council unanimously decided to submit the by-law."

Lily Oats

Wood bees are now in order. Root harvesting was wound up generally hereabouts on Saturday. A week ago last Wednesday night dogs worried W. Alexander's sheep, one of which had to be killed. William Johnston is a good hand at debarking cattle. An invitation by post card will bring him. Mr. James Clark of the 10th line of Holland has sold his farm to Mr. John H. Caswell of Euphrasia for \$3800. Mr. Wm. Lansing jr. arrived from Gravehurst to see his mother, who was critically ill. The old lady is some better and William has gone back. Many of the young ladies of this locality are leaving for Toronto for the winter.

Victoria Corners

In spite of the stormy day last Wednesday, Mr. John Warner's sale was attended by a very large crowd, most of the stock and implements realizing a fair price. Mr. Samuel Bachelor, our esteemed treasurer, is a bachelor no longer, having taken unto himself a wife, in the person of Miss Campbell, of Arthur. We wish the young couple a happy and prosperous journey through life. Messrs. C. and W. Warner, of Hamilton, visited with their brother, Mr. John Warner, a few days last week returning home on Friday. Boyd Bros. lay press is at present engaged at Mr. Albert Stevens's. Mr. Chas. Hames returned home from the West last week.
