REUMATIC SUFFERERS.

Will Find a Certain Cure in the Use of Dr. Williams' Pink Pills.

Rheumatism is a disease of the blood. Every doctor now admits this to be the fact. Doctors used to think that rheumatism was brought on by colds in the joints and muscles. Now they know that cold never started the disease—cold only sets the pains going. Rheumatism can only be cured by curing the body, and which causes it. Dr. Williams' Pink Pills always cures rheumatism. They actually make new red blood, which drives out the old, worn-out blood, thus making the joints and muscles strong again.

It is well known that the joints and muscles are the weakest point continually exposed to the cold air. By the use of Dr. Williams' Pink Pills will be found to give strength to the organs so that they are not liable to derangement from exposure to atmospheric changes. Bickley's Skin is the trade name of the buyer.

It often makes allowances for the weak, but not always in the teeth of a really strong man.

A quick recovery from fever and all other diseases is the secret of success. Try it.
