## THEIR GOLDEN WEDDING

Mr. and Mrs. Thomas Muxlow Celebrate the Fiftieth Anniversary of Their Marriage. Many Friends and Relatives Present on the Occasion.

The occasion of golden weddings is rare that the bride and groom thereof, who have come through the years and tangles of fifty years with one another, and receive, and are entitled to, richer congratulations than when first united and the world to face. Mr. and Mrs. Thomas Muxlow reached their jubilee year on Friday last, the 9th March, 1906, and the occasion was made one of general rejoicing by the family and the friends of many friends and relatives. Mr. and Mrs. Muxlow were joined together in the 5th day of March, 1856, in a small town in England, in which county both were born. One month after their marriage they left the shores of England on a wedding tour, which was extended to Canada, landing in Toronto on the 23rd of May, 1857. For two years they resided at what is now known as Weston, and moved from there to Caledon, near Orangeville, where they remained for eleven years. Their next move was to Brantford, nine miles from Markdale, where they resided for 31 years. The country was then a primeval forest, and Mr. and Mrs. Muxlow know all about the privations and sufferings attendant upon the lives of those who hewed out of the forest a home for themselves and their children. Mr. Muxlow purchased one hundred acres which was afterwards supplemented by another hundred. This is now one of the finest farms in that section. Six years ago Mr. and Mrs. Muxlow retired from farm life and purchased a cottage in Markdale, beside the school, where they have since resided. Their bride-

## PERSONAL MENTION

Mrs. S. J. Halbert is visiting in Toronto this week. Mr. Archie MacFie left Monday for his home at Nottawa. Mr. and Mrs. G. W. Armstrong left Monday for Winnipeg after a two months' visit.

Mrs. J. S. Rowe has returned from Cleveland, and we are glad to say, greatly improved in health. Miss Blanche Macpherson left Monday morning on an extended visit with friends in Amherstburg and other places.

Mr. W. J. Shortill is this week attending the Grand Lodge meeting of the A.O.U.W. as representative of Markdale Lodge No. 141. Mr. Thos. Mercer left on Friday last with a car of choice horses for the West. He has eleven heavy ones, one light, and one driver.

Mayor Rutledge, of Port William, who came east last week on civic business with the Ontario and Dominion parliaments, came up and spent Sunday with his parents, Mr. and Mrs. Edward Rutledge. Master Wilfred accompanied and will remain in Markdale for some time.

Dr. Sprinkle, M.P., is attending parliamentary duties at Ottawa, and J. B. Lucas, M.P.P., at Toronto. Of course they frequently take a run home to check up the domestic circle, and incidentally look after business, but the people or the country's interests are neglected by neither.

Mr. J. B. Waite, who has held an important position in McFarland, Stafford & Co.'s mercantile establishment here for five years, has accepted a position as manager of the Oak Hall store in Meaford, which position he assumes next week. Mr. Waite is a man of sterling worth and is deservedly popular, both in business and social circles. We regret to lose him and wish for them true prosperity in their new situation and home.

When mailing our last budget several plans were inadvertently omitted. Mr. Carmichael was able to resume school again last week. The numerous friends of Miss Bertha James are well pleased that she has recovered from her disability that she can walk about the house now.

A. D. McKinnon attends the Grand Lodge A.O.U.W. in Toronto this week. All members of said lodge are notified to attend meeting on the 23rd March to discuss a question of vital importance.

The directors of our Agricultural Society had a meeting lately and classes were added, prizes made larger, and improved in many ways. This show is evidently forging its way to the front among the fairs of Grey Co.

Miss Kate McKinnon has been spending her holidays at her home in the vicinity of Sturwarta for the past season as inspector of the Niagara Falls, N.Y., and in order to return the services of a trusted expert they place through her two or three months' holiday.

On the 28th February a large company of neighbors and friends met at the home of Neil McCannell, Esq., Co. Commissioner. Mr. D. McDonald, the neighborhood, also an address from the members of St. Columba's Presbyterian Church, was read by the pastor, Rev. J. A. Matheson. Mr. and Mrs. McCannell were presented with a parlor suit, and Mrs. McCannell made a suitable reply and a very pleasant evening was spent. Mr. McCannell is retiring from the farm and will live in Durham.

On Friday, March 16th, death again visited this village, and M. Reiley, one of our much respected business men, has passed from our midst. Deceased was born in Ireland 62 years ago, and after learning the blacksmith trade, came as a young man to Canada, about thirty years ago he and his family became citizens of this village. Being successful in business he built a good home for himself and family. About eighteen years ago he took a holiday in the A.O.U.W. for \$2,000, and was a member of the family of Priceville Lodge A.O.U.W. took charge of the funeral services on the 18th. Representatives from Flesherston lodge were also present, and conducted the procession from the residence on Durham st. to Presbyterian church, where Rev. J. A. Matheson preached the funeral sermon, assisted by Rev. W. E. Beach. Miss Mamie McLean presided at the organ. Master Workman J. Turner and Past Master C. D. McLeod officiated at the grave. A beautiful floral wreath adorned the coffin, presented by ex-Warden McArthur.

## With the Hockeyists

Flesherston Won the Pitcher. The story of the first half of Flesherston was a denouement of hockey played on Wednesday night last to try conclusions with the Durham stick swingers and a silver water pitcher. They won the pitcher, and they feel as elated over it as though it was the Stanley Cup. This said it was the Stanley Cup. This said it was the Stanley Cup. This said it was the Stanley Cup.

The close of the first half of Flesherston was a denouement of hockey played on Wednesday night last to try conclusions with the Durham stick swingers and a silver water pitcher. They won the pitcher, and they feel as elated over it as though it was the Stanley Cup. This said it was the Stanley Cup. This said it was the Stanley Cup.

Perhaps no other town in the province has a larger hockey team, but this record here this winter and the strong bunch and have played some great games this season, out of nine games they have won six and have scored 74 goals by their opponents. Not so bad, is it? The Scotch Team have not played any outside games yet, but are open to challenge. Flesherston for the hockey pitcher, on Holland Centre for the championship of Holland and township. The Intermediates defeated Flesherston's senior team in Flesherston on Friday last by 11-7.

On Saturday our Juniors defeated Flesherston here by 9-4 and the same night our Juveniles went to Flesherston and defeated the youngsters of that place by 7-5. The teams are as follows: Seniors - C. Treford, D. Mercer, W. Hill, W. Burdick, W. Fitzcarrald, P. Kelly and A. Littlejohns. Scotch Team - C. King, G. McMillin, J. Kelly, J. W. Tucker, L. Manshaw, T. Ploves and G. Haskett. Intermediates - J. Dillon, A. Dillon, W. Bowers, S. Varty, M. Kelly, M. Haskett, H. Lucas.

Owen Sound Won in Extra Time. On Thursday last the Markdale hockey team went to Owen Sound to play the team of that place in the fifth game of the series for the cup and the championship of Grey. Nine goals to six is the way they were beaten. The game is said to have been the hardest fought battle that has been played on Owen Sound ice this winter and the Markdale boys certainly showed the effects of the grueling contest when they stepped off the train here next morning. Owen Sound were taking no chances on this game and had on their full Junior O. H. A. team - the best team in Owen Sound. In the first half Markdale was on the defensive most of the time and the home team managed to beat them by three goals to one. The second half was altogether different. Markdale was slowly coming to, and when they did get going they set up a pace which is said to have been of the lightning variety and completely outclassed the home team, winning the second half by a score of 5 to 3. The line was working beautifully and the defence stopped nearly everything in sight. At this stage of the game Rynas, the Owen Sound goal tender, was also playing a remarkable game and saved his team a hundred times. When time was up the score was a tie, 6-6. In order to break the tie it was decided to play two periods of five minutes each. This proved the undoing of Markdale. In that ten minutes Markdale suffered more than in any other game played this winter. They were unmercifully slashed and tripped and not one of them escaped the onslaught. It was the most brutal piece of hockey that has ever been dealt out to a Markdale team. Mr. Chas. Ourehill, of Owen Sound, had charge of the case and he knows as much about refereeing a hockey match as a fish does of dry land. In the extra ten minutes when the home team cut loose and began roughing it he made no attempt to stop them. Fitchett and Littlejohns were repeatedly tripped by Brown, yet he failed to penalize that player. About

HOCKEY NOTES. It's not true that the inmates of the House of Refuge here are organizing a hockey team. The hockey match in Owen Sound last Thursday was an important one, inasmuch that if Markdale won, Meaford had the cup. It is reported that while the game was in progress the Meaford sports listened for the reports over the wire with bated breath. Groves or collop bones? Holland Centre has a hockey team, and played a game with Chatsworth in the former place last week in which Holland Centre won by a score of 19-1. In the return match Chatsworth won 2-1. It is said that owing to the interest of the season the proposed league between Chatsworth, Durham, Holland Centre and Flesherston will not be formed this winter. The seniors are a winter. Markdale and Owen Sound were advertised to play here on Monday evening, but for reasons known only to the Owen Sound aggregation that team failed to put in an appearance. The place has now been called for Monday night. Puck faced at 7:15. This will be one of the most exciting games of the season.
