### Miss Irwin Goes to Winnipeg.

(Chatham Planet.)

As a result of the attractions of western salaries, the Chatham Central school will shortly lose the services of one of its most capable teachers. There have been rumors to that effect for some time past, and it is now definitely announced that Miss Irwin's resignation will be handed in to the board of education at their next meeting.

Miss Irwin is leaving for Winnipeg, where she has accepted a position as teacher at a considerably advanced salary. She first joined the Central staff some five years ago as model. school assistant, and has been continuously in the service of the board ever since, proving herself thoroughly competent and capable.
