Not every boy can be a rich man, but every boy can be a gentleman. A boy with gentlemanly manners, who is trustworthy and honest and does his very best every day, will gain the attention and confidence of men and will be given paying and responsible positions as soon as he is old enough to fill them. Boys like to have fun and a good time. It is right they should. They will never be boys but once, but to have fun is not altogether what they are made for. Boys are of value chiefly to make men, good for something in the world. Character, like a house, must have the right kind of a foundation. The foundation stones of a good character are reverence for God, respect and obedience to parents, deference for old people.

Dr. Shoop in the creation of this now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative.
