## FLESHERTON HAPPENINGS

(By our own Correspondent.)

On Thursday evening last the school room of Chalmers Church was the scene of a very interesting event being a farewell to the pastor, Rev. L. W. Thom, and wife, who are leaving for a new field of labor. Notwithstanding the bad roads there was a good turnout of the congregation and also a good representation of the sister churches here. At beautifully spread tables the ladies served a delicious tea and an enjoyable social time was spent after which Mr. M. K. Richardson was unanimously elected chairman and presided in his usual pleasing manner. After the singing of a hymn Mrs. W. H. Thurston gave an excellently rendered reading which was followed by a very pleasant surprise to Mr. and Mrs. Thom, who were presented by the congregation with half a dozen handsome dining room chairs and to Mrs. Thom was further given a very pretty silver pudding dish. Mrs. Archie Boyd made the presentation and the following appropriate address was read by Mr. T. R. McKenzie:

REV. L. W. AND MRS. THOM:

Dear Pastor and Mrs. Thom,—We, the people of Chalmers Church, Flesherton, having learned of your intention to remove from our midst, and realizing that the time is near at hand for us to part, have met with you to-night that we might once more enjoy the pleasure of your company and again exchange affectionate greetings before bidding you adieu. It is indeed with deep regret and sore hearts that we part with you. To say that we will miss you when sundered from us by distance would be but a mild expression of sentiment. It has always been a source of pleasure for us to meet with you, your presence shed a ray of sunshine which to us was ever as a means of joy and gladness that has brightened our pathway and cheered us on our way. To-night we feel that a bitter herb has been dropped into our cup of pleasure when we remember that you are about to leave us, and that our relations as pastor, helpmeet and people must in a short time terminate. We thank you both for the many kindnesses to us, and for the great interest you have always manifested in our welfare both temporal and spiritual. We confess that we have not always given you the encouragement we might have given; but we always found you, although not condoning our faults, very patient with us in our imperfections. Our eternal welfare has been your chief desire, and through those many years you have been with us you have striven faithfully to hold up Christ to us as the perfect pattern and Saviour of our souls. We trust that the Christ-like example you have displayed and the precepts you have taught may not have been bestowed in vain, but that they may lead us to live more zealous and worthy lives. As a slight token of affection and remembrance we ask you to accept these chairs and Mrs. Thom this silver pudding dish, and trust that you both may be spared many years of usefulness. We feel that though distance may divide us that we shall still be joined in heart. We all join heartily in wishing you much happiness and success in your new home and field of labor.

Mr. Thom replied in fitting terms heartily thanking the congregation for the beautiful and much appreciated gifts and the address so full of kindly sentiment towards himself and Mrs. Thom. Mr. A. S. VanDusen, Rev. Dr. Caldwell and Mr. W. H. Thurston were then called on by the chairman and their addresses were in keeping with the occasion and eulogistic of the esteemed minister and his wife. The proceedings closed with the doxology.

On Monday evening of last week deep sorrow entered the home of Mr. Leonard Betts, Collingwood Road, by the death of his beloved wife who had been sick only about a week with la grippe. Mrs. Betts, who was a native of England, was 79 years of age. She was a very highly respected christian woman and will be much missed by her family and in the community where she lived for many years. On Wednesday the funeral, which was largely attended, took place to Salem Church where service was conducted by the officers of the Salvation Army with which the deceased was identified. She is survived by her aged husband, two sons, Thomas and Levi, and five daughters, Mrs. Robert Akitt, Mrs. Thomas Atkinson, Mrs. Edward Bennington, Mrs. John Robertson and Mrs. John Porteous.

The Presbyterian Ladies Aid held a successful social at the residence of Mr. W. J. Stewart, east back line, on Tuesday evening of last week. A couple of loads from the village attended and report a good time. The proceeds were $13.00.

Although the bad roads prevented many outside members from being present at the service in the Presbyterian Church on Sunday there was a large congregation, many visitors being present from the sister congregations. It was Rev. Mr. Thom's farewell and feeling that he could not trust his emotional nature in a sermon prepared he gave an appropriate and feelingly delivered address reviewing his pastorate and referring fittingly to the work of the various organizations in the church. Harmony had existed and he was sorry to part with the congregation from whom he had received great kindness, but he now felt that the Lord had a work for him to do in the new field of labor. Mr. Thom received many warm hand clasps at the close of the service.

Mr. James Love, one of the pioneers of Artemesia township, died at his home near Mt. Zion Methodist church on Friday last, after but a few days' illness with pneumonia. The funeral, which was largely attended, took place to Mt. Zion church on Sunday afternoon, when the pastor, Mr. W. Gaudin, conducted an impressive service. Mr. Love had been an Orangeman for about sixty years and his remains were interred with Orange honors by a large turnout of the members of No. 244 L.O.L., Proton Station, and other lodges in the district. He was a member of No. 244 L.O.L. for 53 years, and was previously a member at Bolton. The deceased, who was 78 years of age, was born in County Tyrone, Ireland. On coming to Canada he lived for some time at Sandhill, Ont., where he taught school. Over 53 years ago he came to Artemesia and settled on the farm which has been his home since. For some time he taught in S. S. No. 8, near his own home. In the early days of the township he was active in municipal matters and received honors at the hands of the people by being elected in 1865 and 66 to the position of deputy reeve and in 1867 to that of reeve. We have known Mr. Love for many years and feel we cannot say anything more fitting his character than that once written of him by the late Dr. Christoe, who said: "He was a man possessed of more than ordinary ability, a fair scholar, but of a quiet, retiring nature. Very few persons excel him in probity and sound judgement; moreover his neighbors attribute to him kindness of disposition, generosity, and the quality of an excellent peacemaker." He is survived by his aged partner, one son, William J., on the homestead, and three daughters, Mrs. J. Taylor, in Washington, and Mrs. J. Crawford and Mrs. W. H. Colquett in the North West.

An emergent meeting of Prince Arthur Lodge A. F. & A. M. was held on Friday evening last to receive an official visit from Rt. Wor. Bro. W. H. Wright, of Owen Sound, D.D.G.M. of the Georgian District. The inspecting officer witnessed the initiation of a candidate and afterwards in his excellent address to the lodge, complimented the officers on their proficiency in conferring the degree and also for the satisfactory manner in which the business of the lodge was conducted. He was pleased to find the lodge in a prosperous condition. Upon motion by Wor. Bros. M. K. Richardson and W. J. Bellamy a hearty vote of thanks was tendered the D.D.G.M. for his instructive and pleasing address. At the conclusion of business an adjournment was made to the dining hall, where a beautiful spread was prepared by the wives and daughters of the members in the village. An enjoyable time was spent at the festive board.

## The New Easter Fashions

THE month of March brings with it this year the Eastertide, and Easter ushers in the season of style transition—the change from the familiar garments of winter to the new fashions of spring. It comes a little earlier this year, but not too soon to stimulate the interest of women in the highly important subject of dress, the materials, trimmings and shapes of the garments, which high satorial authorities have decreed shall be made for the Spring and Summer of 1907. For suits and gowns meant for harder service there are some very attractive light weight woollens, not unlike the old fashioned tennis flannel of happy memory. Very many of them are imported from London and Scotland and show a diagonal surface weave crossed by stripes or outline checks in contrasting color. In color they are almost without exception very light, white, cream, biscuit colored and pearl grounds with hair line stripes in black or brown being in pronounced evidence.

We have thirty-five skirts left that we will sell at first cost.
