DOCTORS USING PATENT MEDICINES NOT ANYTHING CAN BE TRADED The Honest Physician is Anxious to Cure and Uses the Best Avail-

able Remedies.

The discussion of the bill now before the Dominion Parliament for the rerulation of the manufacture and sale of patent or proprietary medicines is on of the utmost importance, and is pne, ois a great deal of attention, not only by the proprietary medicine manufacturers, but also by the retail and wholesale druggists. Every manufacwho can reliable and high class remedies welcomes the bill as a step in

the right direction. The discussion has brought out the fact that the best physicians in Canada and on the continent approve of and prescribe Psyhine in cases of the most, difficult character. In a recent instance of very serious throat and lung trouble the patient had been using Psychine, the patient had been using Psychine. Two leading United States specialists were consulted, in addition to two eminent Canadian physicians. Upon learning what the patient was using, a sample of Psychine was taken and analyzed with the result that the physicians advised its continuance: They prescribed no other medicine but They presented no result that the pa-psychine, with the result that the pa-tient has fully recovered and is a tient has fully recovered and is a spendid walking and talking advertisement for the wonderful curative power of a remedy that will "stand power of a remery that will "stand up" before the keenest professional critism and analysis. As a builder up of the system and restoring all conditions, Psychine has no mal, and the best and most carnest physicians recognize this fact. "At the age of 25 my lungs were in a terrible state. I had la grippe the

WOMEN'S LETTERS

If our readers could spend one-mornfront: -- exchange steerage ing looking through the letters received from all over Canada by the Zamsooner hall this appeared that a Buk Co., it would bring home to them ing lady called at the office of the with irresistible force the healing vir tues of this great household balm. Old women, young women, wives, inothers and even young girls have something machine, she was sure to say about hew Zam-Buk did this of that good office in their home. Many et these writers give permission to make extracts from their grateful tes-timony. From these the following were taken at random;

"I was troubled for some weeks will salt pheum in bands and arms and was using a salve which did me little good On-receiving a supply of Zam-Buk I ap lied it, and it really seemed to act like magig! The itching and burning ceased, and in a few days the skin was cleared and healthy." So writes Miss E. A. Bulchard, of North Keppel. "Three loxes of Zam-Buk cured m of Egzema, from which I had suffered

a long time." | So says Mrs. Gladden, 4 Mansonville, Que. "Zam-Buk cured a case of blood per in my family, and I wish to thank you for the great blessing it has proved," is the effect of a letter from Mrs. Webb. of Dovercourt.

And so one fould go on quoting ex tract after extract, showing how Zain-Buk cures chronic sores, ulcers, al scesses, had leg, itch, and blood pojson; takes the soreness; out of cuts and burns, and grows new, healthy skin over injured of diseased places. Al stores and druggists sell at fifty cents a box, or the Zam-Buk Co., Toronto will mail for price.

WHEN JACK IS ASHORE

THE FUNNY LITTLE WAYS OF BRI-TAIN'S DARLINGS.

British and Russian Sailors "Fraterniz -Jack and the Spanish

Soldiers. There's a dale more done in the field than iver gets into Field Ordhers," said Private Mulvaney, of famous memory and this remark might apply equall well to the Navy as to the Army. Jack's reputation for skylarking when suddenly released from a monotonous

shipboard existence for a run ashore notorious, and, as a rule, his escapade are fairly harmless. But there have been occasions when some of his exploits might very well have been attended with grave results of a political kind. At the end of the Russo-Turkish War your boat. Mason yielded, took a for instance, when matters were quieting nost cordial of "ententes." By evening Brilons and Russians were

and at it, and all went merry as a marriage bell, until an UNTOWARD INCIDENT OCCURRED.

Owing to some little misunderslanding with the Russians, a burly boatswain's male from one of the British ships was suddenly pitched out of a second-floor bounced off a verandan, and window. landed in a silling posture in the middle of the road. As soon, as his scattered senses re

turned to him, he resolved on vengeance and, pulling out his boatswain's pipe blew a shrill call, which brought his comrades heller-skelter from the cates and wine-shops to his side. When the matter was explained,

thoughts of the entente vanished. The particular cafe where the outrage had occurred was speedily reduced to a state of wreck, and a party of tars having been despatched to the beach to stave in no enemy's boats so that he should not scape, a very pretty game of hunt the ussian took place round the town. The riot assumed serious proportions

and it was not until a strong force b marines had been landed that the fra-ternizers of both nationalities were inluced to return to their ships. The affair was, of course, hushed up, but had it leaked out, it is quite possible

VERY GRAVE COMPLICATIONS would have ensued, for popular feeling against Russic was very high at home A less serious instance of Jack's play
