the penilentiary. 'Are you charged with any crime?' asked Mr. Hawley of the prosecution. "I am charged with the murder of Frank Stewnenberg and waiting trial. Answering further questions, he continued; "I was born in Northumberland county, Ontario, Canada, in 1866, and am, therefore, 41 years old. Harry Orchard is not my true name. I have gone by that name for about eleven My true name is Alfred Hors to his wood and came to the United States in it jup in h 1896, first to Spokahe, where I remained a week. I went to Wallace, Idaho. in March or April, 1896. I first worked for Market Brothers, driving a milk wagon, and remained there until about Christmas, 1896. I then went to wood and coul yard in Burke, Idaho, and was engaged in that business until the spring of 1899, and on my own ac count for two years. In 1898 I sold half interest in the business to Mr. Mc Alpine: My business in Canada was making cheese. I sold all my interest in the wood yard and went to worl mucking in the mines in March, 1899 continuing at it for a month. I immedi

ately became a member of the Western Federation of Miners."

COUR D'ALENE TROUBLES Orchard described the Cour d'Alene secuntry, giving the railway connections between the different cities and mining

"State what unusual occurrence there Burke upon the morning e meeting of the union and everybody was he volunte expected to be present. I went to the one detail The meeting was called to order by the secretary, who said it had been decided that day to go lo Ward-

ner to blow up the mill at the Sullivan and Bunker Hill mines and to hang the superintendent. SEIZED NORTHERN PACIFIC TRAIN. "Arrangements had been made to cut from Trent the wires along the railroad and take cry reputal possession of the Northern Pacific train. At Gem we were to be joined by the Gem Union, and together well was said th were to proceed to Wardner. While the out of the Secretary was telling the what was planned by the Central Union the President of our local came in and said he had not been informed of the meet-When told the purpose he obfeeled to it and there was a discussion. The motion to go to Wardner was fin-serted, and ally carried by a small majority. After Spring, with

the vote nearly every man decided to by working "Paul Cochran and six other members posed to be so of the union took charge of the train. Horsley is We went to Gem and took forty boxes

or giant powder. ORCHARD LIT ONE FUSE. . "There were about 1,000 men on the train, most-of them armed. At Wardner we were told by W. F. Davis to line tip. The men with long guns were told to take the front ranks, followed by men with six-shooters. We were told to fire upon the mill as we approached. This we did, and the fire was returned by the guard. It soon developed that there were no men there, and, we took possession. Powder was placed about

the nill, and it was blown up. one fuse. I don't know who lit the others." said two men were killed The name of then Governor Steunenberg be said, was mentioned at the meeting he had described. Orchard added that Haywood paid him \$300 k blowing up the Vindicator mine, and

ogreed with him for other murders. A CATALOGUE OF CRIME.

In addition Orchard confessed that he set the death-trap in the Vindicator Cripple Creek which killed Superintendent McCormick and Foreingr Book; | confessed that | because he had not been paid for his first attempt a violence in the Vindicator mine he was treacherous to his associates in warnign the managers of the Florence & Cripple Creek Railway that there was a plot to blow up their trains; confessed that he cruelly fired three charges of buckshot into the body of Detective Lyte Gregory of Denver, killing him in-stantly; confessed that for days he degged Governor Penbody of Colorado about Denver for a chance to kill him: confessed that he and Steve Adams set and discharged the mine under the station at Independence which instantly killed fourteen men, and confessed that failing in an attempt to person Fred Pradley of San Francisco, he blew him

and his house up with a bomb of geia MORE TALES OF HORROR TO COME. He has more brutal crimes to tell of, which will bring his bloody career down to Caldwell, where with a great bomb he killed Steunenberg. The story was told before an anxious crowd, which staringly watched every movement and word of the witness; a crowd that sickened and grew weary of the fearful
