PRICEVILLE. The following from a recent issue of the Christian Guardian: "The May Quarterly Board of Pricerville Circuit was held in Pricerville church on Saturday, May 4th. Finances in both circuit and congregational funds were satisfactory. During the past year the envelope system has been introduced, some of the people were at first adverse to this idea, but at the end of the year were pleased. Our minister, Rev. W. F. Roach, closes this year with us as a pastor of four years and in every sense it has been a successful one. Zealous in the Master's work our Minister has been untiring in efforts to win for God those amongst whom he went. Acceptable as a preacher and ever evincing an interest in the welfare of the people in his charge, it has been indeed four years of harmony on this circuit. Neither shall we forget his arduous labors in the campaign for local option in this township which was crowned with success. At the Quarterly Board the members expressed their appreciation of Mr. Roach's services and their earnest wishes for his future success and the welfare of himself, Mrs. Roach and family.

PROTON STATION. Miss Mabel Binnie, Dundalk, spent Sunday at home. Mr. E. Medagh, of Corbetton, spent Sunday with friends in Proton. Miss Elsie Treford, of Flesheron, Sunday under the parental roof. There was a very large congregation in Proton church on Sunday, when Rev. Mr. Matheson, of Pricerville, conducted divine service. Mr. Matheson, delivered a very forceful and beneficial discourse, which was highly appreciated by the large congregation. After his sermon the Rev. gentleman dispensed the sacrament to the large number of members present. Miss Ida Fisher, of Flesheron, visited her friend, Miss M. Saunders, for a few days last week.

Relief from Rheumatic Pains. "I suffered with rheumatism for over two years," says Mr. Roland Curry, a patrolman of Key West, Fla. "Sometimes I settled in my knees and lamed me so I could hardly walk, at other times I could be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by R. L. Stephen.
