

A GREAT TRIUMPH. WAR FUND OF GERMANY

GAINED BY DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE.

The Doctors of Mount Clemens Institute Prove the Value of These Pills in the Case of Mr. S. Harris, Government Inspector of Elevators at Hamilton, Ont.

From the Star, Dundas, Ont. We are much pleased to see Mr. S. Harris, the well-known Government Inspector of Elevators at Hamilton, in health and appearance since the last time we met him. As is known to many of the Star readers, Mr. Harris was recovered from a long and severe illness, and is now quite able to attend to his usual duties. Mr. Harris would not have been able to go on his journey as far as he did before he was cured, and it is little less than a miracle that he is now so well.

In reply to our reporter, Mr. Harris related the early stages of the attack and subsequent sufferings which he experienced, and while he did not expect to be cured, he decided that in the public interest he would relate the circumstances of this wonderful cure. About four months ago Mr. Harris woke up one morning with a stiff neck, and as the day advanced he felt a general weakness, and was unable to get out of bed at all. He was unable to get out of bed at all, and he was unable to get out of bed at all.

He was unable to get out of bed at all, and he was unable to get out of bed at all. He was unable to get out of bed at all, and he was unable to get out of bed at all. He was unable to get out of bed at all, and he was unable to get out of bed at all.

WHY IT IS STORED IN AN OLD CASTLE AT SPANDAU.

Why is it stored in an old castle at Spandau? The answer is simple. It is stored there because it is the only place where it can be kept safe from the hands of the enemy.
