## Cough Caution

Never, positively never put on your lungs. If you cough—even from a simple cold only—you should always look, soothe, heal—use the irritated throat and tubes. Don't blindly suppose it with a stupefying poison. It's strange how some things finally come about. For twenty years Dr. Shoop has constantly warned people not to take cough mixtures of prescriptions containing Opium, Chloroform, or similar poisons. And now a little late though Congress says: "Put it on the label. If poisons are in your Cough Mixture." Good! Very good! He's quite right in having Dr. Shoop's Cough Cure. No enough marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chances then, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and note the difference. No poison marks there! You can always be on the safe side by demanding

## KIMBERLEY HAPPENINGS

(By our own Correspondent.)

Dominion Day passed off quietly; practically all who celebrated the day attended the C. O. F. celebration at Vandeleur and report a good time. A football team, which was composed of only four or five of our senior team, the rest being juniors, were successful in winning 2nd prize, having been defeated by Wodehouse by the narrow margin of one goal. Wodehouse has a pretty fast team and every member of it is a gentleman.

Miss Ina McGee, who has spent the past eight or nine months in Toronto, returned home recently.

Rev. A. P. Latter (late of New Liskeard) and bride were recently the guests of Mr. and Mrs. Albert Latter on their honeymoon trip to Alliston, where Mr. Latter is stationed as a Methodist Minister.

Quite a large number from here took in the excursion to Guelph on Wednesday of last week.

Mr. G. E. Tinley, of Collingwood, spent Saturday and Sunday with friends here.

Mr. F. J. Weber has been on the sick list for the past few days, but is now on a fair way to recovery.

Mr. and Mrs. Wm. Fawcett, of Rocklyn, were visitors in this vicinity this week and were the guests of Mr. and Mrs. J. R. Fawcett.

Mr. Wm. Gaudin, pastor of the Eugenia circuit of which Kimberley is an appointment, delivered his farewell sermon on Sunday morning last. He delivered an excellent sermon from the 57 and 58 verses of the 15th chapter of Corinthians. Mr. Gaudin is a fearless and sincere christian and success will no doubt crown his efforts wherever he may proclaim the gospel.

Mr. R. D. Carruthers, who spent the past few weeks in New Ontario returned home during the past week.

The Kimberley and Vandeleur school football teams played a friendly game at Vandeleur on Dominion Day, which resulted in a victory for Diamond City by a score of 3-0. Kimberley's line-up: goal, W Hammond; full backs, A Ferguson and E Smith; half backs, E Gaudin, S Walter and H Ellis; forwards, V Ellis, W Burritt, S Wallace, H Proctor and B Walter.

## BERKELEY

Mr. and Mrs. Samuel Young celebrated their golden wedding on Thursday, June 27. Besides their friends from Berkeley and surrounding country, Mr. and Mrs. Young's sons and daughters from Sault Ste. Marie, Mich., were present. Mr. and Mrs. Young received many beautiful and costly presents, and a very enjoyable evening was spent by all, who wish them many returns of the day.

On Friday evening last Mr. Berry conducted the Epworth League in the Methodist church here. At the close of the service ice cream was served by the members of the League. Mr. Berry preached his farewell sermon here on Sunday. The best wishes of the Berkeley people go with Mr. and Mrs. Berry to their new home at Priceville.

Miss Cooper, teacher near Berkeley, is visiting with Mr. and Mrs. George Stafford.

A number of the Berkeleyites took in the garden party at Holland Centre last week and report having had a good time.

Mr. M. Demmie and Mr. John Collaton have returned home to Toronto after spending a fortnight pleasantly at the home of James Quinn, Berkeley. Johnny has spent many moons at the same old sporting place.

## Address and Presentation.

On Thursday evening last the home of Mr. and Mrs. W. J. Brown, 11th line Euphrasia, was the scene of a happy gathering, consisting of the young people of Harkaway and Rosedale to the number of sixty. The occasion was the departure of Miss Lola Drummond for her home in Owen Sound, after having successfully tutored the hopeful young pupils of Rosedale for the past eighteen months and as a token of her predominating popularity and showing the high estimation in which she was held by her associates and friends, the following address was read by Miss Mable McCann, of Meaford, while the presentation was made by Miss Minnie Davis, of Wiarton.

Dear Miss Drummond—We learn with regret that you are about to sever your connections with our community. We feel that it would be impossible for us to express our gratitude to you for the assistance you have always so willingly given us in all our undertakings, whether social or in connection with our church. More especially in the latter do we feel that your presence will be missed. During your year and a half with us you have made numerous friends by your cheerful and loving disposition. All our gatherings have been enlivened by your entertaining powers and we feel that your place among us can never be filled. We, a number of your friends, have met here to-night to bid farewell to one who will not soon be forgotten. We will often think of you with kind remembrances and heartfelt wishes for your success in all your future work. As a token of our love and esteem we ask you to accept this locket and chain. May the links of this chain ever remind you of the loving links our hearts form with yours.

Signed on behalf of the people of Harkaway and Rosedale—Alfred McCullough, Chas. Taylor, Willie Brown.

Miss Drummond replied in a very gracious manner, showing by her speech and expression that the event was one of extreme regretfulness. A very pleasant evening was brought to a close by singing "Auld Lang Syne." Miss Drummond carries with her the best wishes of success from her many friends and admirers to whom she has always tendered her accomplishments and goodwill.

### The Doctor Away From Home When Most Needed.

People are often very much disappointed to find their family physician is away from home when they most need his services. Diseases like cramp, colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save your life. For sale by R. L. Stephen.
