Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Pimples, Facial Blemishes Blackheads, Eruptions.

They have one Common Cause. An Impure Condition of the Blood.

Make the blood normal and you cure the pimples.

But unless elimination is perfect the blood can't be normal, can't be anything but foul.

In elimination nothing plays a more important part than the skin, and if it gets too much work it becomes deceased, and pimples, blotches and eruptions are the result.

Not a bit of use to try external applications. The foundation of life, the blood, must be purified.

More than that, the blood must be supplied with the elements necessary to furnish the organs with increased power to do their work.

Ferrozone supplies exactly these constituents, and it does more.

It stimulates through the nervous system all the eliminative functions of the body.

By stimulating the kidneys and liver the skin is relieved of an excessive work, and it soon resumes its normal mode of action.

Ferrozone destroys the poison in the blood, gives it new and rich material through thorough digestion of food.

The skin resumes its normal, rich color.

Every vestige of blotch, pimple or eruption then disappears.

You see then that Ferrozone is not only a blood purifier, but a blood fortifier, and when your blood is pure and strong, not only will the skin be freed from blemishes and pimples, but the whole body will be rejuvenated and fortified, and given the power of endurance, vim, the natural outcome of health. Ferrozone is sold by all dealers in 50c boxes.

Afflicted with Sore Eyes for 33 Years.

I have been afflicted with sore eyes for 33 years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. Earls, Cynthiania, Ky. Chamberlain's Salve is for sale by R. L. Stephen.

A weak Stomach, causing dyspepsia, a weak Heart with palpitation or intermittent pulse, always means weak Stomach nerves or weak Heart nerves. Strengthening these inside or controlling nerves with Dr. Shoop's Restorative and see how quickly these ailments disappear. Dr. Shoop, of Racine, Wis., will mail samples free. Write for them. A test will tell. Your health is certainly worth this simple trial. Sold by W. Turner & Co.

SHERWIN PAINTS &

An appeal to the pride of the owner of a hom

Everyone who owns a house is anxious that that home shall make the best appearance possible. Two things are necessary to produce satisfactory results in painting and varnishing a home:

First—A satisfactory color scheme and enamels of such good quality that they not only give the exact effect required, but are sufficiently durable to keep up the attractive appearance of the house in spite of wear and tear of living in it.

These are offered by the *Sherwin-Williams Paints and Varnishes.* The Sherwin-Williams Co. not only makes every kind of paint and varnish used for a house and the best quality of that kind, but they make special paints for the selection of colors, various stains and enamels, so that any color idea can be carried out, and can be tried out with the best materials.
