SHERWIN WILLIAMS PAINTS & VARNISHES

An appeal to the pride of the owner of a home

Every one who owns a home is anxious that that home shall make the best appearance possible. Two things are necessary to produce satisfactory results in painting and varnishing a home:

First—A satisfactory color scheme.

Second—Paints, varnishes, stains and enamels of such good quality that they not only give the exact color effect required, but are sufficiently durable to keep up the attractive appearance of the house in spite of the wear and tear of living in it.

These are offered by the *Sherwin-Williams Paints and Varnishes.* The Sherwin-Williams Co. not only make every kind of paint and varnish used on a house and the best quality of that kind, but they make suggestions for the selection of colors, varnishes, stains and enamels, so that any given idea can be carried out, and carried out with the best materials.

You should see to it that when you buy paints and varnishes for your house, or any part of it, or when you give an order to your painter for any painting and varnishing you want done, that Sherwin-Williams Paints and Varnishes are purchased.

In large work it is always best to have a practical painter; but there are many little things about the house that you can readily finish yourself by using Sherwin-Williams ready-to-apply paints.

Come in and have a little paint talk with us. Now is the time to "brighten up" your home for the long winter months. We can tell you the best product to use for any purpose you may have in mind and secure complete finishing specifications for you from The Sherwin-Williams Co., if you desire them, for special work. Our line of Sherwin-Williams Products is complete and we are in a position to take the best care of your paint and varnish requirements.

Oh, for a Clear Complexion!

A clear complexion is the outward evidence of inward cleanliness. In bad health the face becomes a sign-board, telling of disease within. If yellow, bile is not properly recreted; if pallid, the kidneys are faulty; if skin is murky and dark circles beneath the eyes, look for constipation. Whatever the cause no remedy compares with Dr. Hamilton's Pills which are mild, safe, purifying and vitalizing in their action. They give a marvelous rosy tint to the cheek brightens the eyes and establishes health that defies age and disease. Sold everywhere in 25c boxes.

HOLLAND CENTRE

Mr. John Walton of Corbetton was home for Sunday.

Mr. Norbert Hamilton and his sister Bessie visited over Sunday with friends in Owen Sound.

Miss Bertha Crowther, who has spent the past month in Owen Sound, returned on Monday.

Mrs. Gillespie of Manitoba is visiting her sister, Mrs. Jas. Dixon.

Mr. Thos. Troughton had a very successful bee one day last week cutting down the embankment between the house and barn, also grading up a driveway into his new stable which he had erected this fall. This makes a great improvement to his already beautiful home.

The laying of the cement sidewalk between the corner and Mr. Price's store was completed this week under the management of Councillor Greenaway. The trustees of the Methodist church also had a cement walk built from the road to the church. This adds greatly to the appearance of our village.

Like a Thief in the Night

That's how pain comes. We sit near an open window, get stiff neck or sore back. Perhaps cool off too quickly after exertion—rheumatism develops. Spend what you may but money can't buy anything better than Polson's Nerviline. Its penetrating power enables it to reach deep tissues,—that's why it cures aches that all else can't touch. For outward appliances we guarantee five times more strength than in any other liniment. Inwardly its harmless and as sure as the hereafter to ease at once. Don't accept a substitute for Polson's Nerviline which is the one great household panacea of today.

ECZEMA

Itches Intensely, Becomes Hard, Cracks. Bleeding Sores Develop Pus is Discharged.

The prevalence of Eczema is due in every case to the presence of humors and poisonous acids in the blood.

These poisons comes from fermentation of undigested food in the upper bowel or from discharged fecal matter in the lower bowel.

It is a waste of time to employ ointment or washes.

No lasting benefit can be had from doctoring the skin when the cause lies in the blood.

Rich, pure blood will bring new life to the skin—will surely restore beauty and richness of complexion.

Ferrozone is the best treatment. It acts on the blood instantly, acts with a purifying healing effect—neutralizes the acids—destroys the poisons—drives every humor from the blood.

So rich and nourishing does Ferrozone make the blood so cool and healthy, that the sores are healed—itchiness is soothed away—every trace of eczema poison removed.

If Ferrozone won't cure then nothing will—in all blood disorders its effect is instant—cure guaranteed. Try Ferrozone, thousands it has cured—will cure you too. In 50c boxes at all dealers.
