CONSUMPTION AN UNKNOWN DISEASE IN TEN YEARS.

Statement of Dr. John Ferguson-The New Free Consumptive Bospital an Immediate Helper to thin End.

The statement of Dr. John Ferguson, one of Toronte's well-known thysicians, that "if consumptive patients were, properly isolated and treated, within ten years from now tuberculosis would be one of the rarest of known diseases, ought to prove an encouraging stimulus to the friends of the new Free Consump tive Hospital to hurry along subscriptittion, capable of admitting at once fity patients, and without any charge.

The curability of tuberculosis is clearly in evidence in the records of the Muskoka Cottage Sanatorium, under the manage ment of the National Sanitarium Association, and under whose auspices the new Free Consumptive Hospital has been built. In four years 510 patients have heen treated, and more than 352 have been cured or so helped that they could go back to work, caring for wife or child

or those dependent upon them.

The new Free Consumptive Hospital is situated in Muskoks, not far from the Muskoka Cottage Sanatorium, the two gentlemen who have generously borne the cost of constructing the building desiring that the same benefits that have come to patients of the Muskoka Cottage Sanatorium, by virtue of its excellent situation, should go to the poorer patients. whose only hope is in admittance to the Free Consumptive Hospital.

All that is wanting now is the furnish. ing of this Mospital with beds and other necessary appointments. The National Sanitarium Association, because of their heavy debt, are unable to undertake this part of the work. Only let the many whose hearts are touched by such distressing cases as are constantly chronicled in newspaper columns, send their contributions of \$1.00 or, if possible, \$5.00 \$10.00, or \$50.00, and no time will be lost n opening wide the doors of the new Cospital. Contribution's will be received by Sir Wm. R. Meredith, Chief Justice, 4 Lamport Ave., Toronto; W. J. Gage. Esq., 54 Front St. West, Toronto; or The National Trust Co., Limited,
