PRICEVILLE

The rise in the temperature on the 27th, accompanied by rain, has reduced the late snowfall to small proportions. We still have sufficient ice on the roads to keep the sleighs in use, and wells which have been failing to give a supply of water have been replenished.

The Presbyterian S. S. Anniversary on the 18th was quite a success, financially and otherwise. The managing committee abandoned all eatables and supplied intellectual food, which is becoming more popular in this vicinity. The home talent, assisted by sister towns or societies, can render a pleasing and instructive program, which is much more beneficial and also more economical than squandering nine-tenths of the proceeds on city jokers or persons who go through the form of singing but veil the pronunciation of every word from the audience.

The Brodie Bros. have been repairing the house on Artemesia street, and now have it covered with steel sheeting which gives the building a fine appearance on the outside, and no doubt there will be greater comfort inside.

On clear days we can trace the construction engines, or at least the pillar of smoke and steam above them, for a distance of five or six miles as they curve back and forth among the hills and glens of Glenelg. A number of men are still working at the station buildings in town.

Appropriate and impressive Christmas services were held in the several churches in town on the 22nd. Mr. John Burnett, who has been

very ill with pneumonia, has taken a change for the better, we are glad to hear.

Several inches of soft snow fell during last night and to-day (Monday) which will likely make good roads.

Messrs. Edwin and Weston Berry, who have been in Toronto for some time, arrived home at the Methodist parsonage for the holidays.

Messrs. H. and D. McKinnon, who have been attending the Collegiate, Owen Sound, are holidaying at home, the post office.

Bert Watson is visiting, Shelburne friends this week.

Bert Aussem, who has been at the C.P.R. sheds, Owen Sound, until the close of navigation, is home for the holidays.

CHAMBERLAIN'S COUGH REMEDY, A SAFE MEDICINE FOR CHILDREN.

In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it, and relief is almost sure to follow. It is intended specially for coughs, colds, croup and whooping cough, and there is no better medicine in the world for these diseases. It is not only a certain cure for croup, but, when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when this medicine is given as directed. It is no opium or other harmful drug, and may be given as confidently to a baby as to an adult. For sale by R. L. Stephen.

Goodbye to Mr. Stillwell.

New England, Dec. 18, '07.

To Mr. J. J. Stillwell,
Dear Friend—We, your many friends of the New England League and Sunday School, have assembled here to-night, on the eve of your departure, to show you in a measure our appreciation of your worth and to bid you farewell as you go out to new scenes and new acquaintances. We all join in prayer that God may bless you and crown all your efforts with His love and approval. You came to us a stranger, but very soon proved to us, by your beautiful Christian character that you were a friend in whom we could trust, doing the Master's work. While among us you have spared neither time nor energy, and though the links of friendship thus formed were so soon to be broken, you toiled untrudgingly, doing all in the name of Jesus Christ. Since coming to us, dear friend, a progressive league has been formed. Under your guidance as President, new life has been imparted, to us as young people, and instead of serving God alone we are united under the constitution of the Epworth League. We shall miss you immeasurably in the Church and Sunday School, where your strong trusting testimony was an inspiration to all and where your life and influence seemed to throw a gleam of brightness over all. That you may have something more substantial than mere memories as a souvenir of your sojourn with us, we ask you to accept this chain as a small token of our appreciation. Our lives have for some time been linked together, and though one link is about to be severed, perhaps for all time we shall hope to meet in the sweet by and bye, around the throne of God, where ties of affection and friendship are broken no more for ever.

Signed on behalf of the New England church,
Joseph Abercrombie

Do You Intend Buying Anything in the Fur Line?

If so this store is a good place to do your buying. The sale so far of the smaller Furs, such as Ruffs, Muffs and Capelines, has been fully up to expectations. We are now looking for buyers for our Ladies Fur Jackets. Our stock is pretty large. We are anxious to get them moving. We can promise you bargains in these Furs.

The Clothing Department of this Store

Is the place for Men and Boys' Ready-made Clothing. November is the month to make ready for winter. We purchased our stock early last season in the best markets, making the price lower now than the present market price. A nice line of Suitings in for Winter wear.

FALL AND WINTER SHOES!

With cooler weather comes the thoughts of change of Shoes. Light Shoes must be laid aside and something warm, something that will resist the cold and chill of autumn, must be secured. Remember that at our store can always be found all kinds or any kind of Shoes a man or woman may want. Our Fall and Winter Styles are now in and we believe everyone can find what they want here in Fall and Winter Footwear. In Rubber Goods we handle nothing but the best. For Ladies and Childrens Coats we cannot be beaten in style and price. We have in at the present time a nice lot of CHRISTMAS NOVELTIES from which you will be able to select presents for all your friends. Nice clean fresh GROCERIES always in stock.

Butter, Eggs and Poultry taken in exchange for Goods.

MISS A. JONES, Markdale.

WEAKNESS IN YOUR BACK?

Sometimes you experience pain and weakness without much suffering, later on the pain will surely come. The trouble can be stopped now by rubbing on Nerviline. Rub it on deeply over the spine, and then put on a Nerviline Plaster. In these remedies you will find wonderful and quick relief. They will spare you from an attack of Lumbago, which is the outcome of neglected pain in the back or side. For all muscular pains, strains and weakness, Polson's Nerviline and Nerviline Plasters have no equal. Refuse substitutes.

When the stomach, heart and kidney nerves get weak, then these organs always fail. Don't drug the stomach nor stimulate the heart or kidneys. That is simply a false shift. Get a prescription known to druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak nerves, build them up with Dr. Shoop's Restorative—tablets in liquid—and see how quickly help will come.
