Of Interest to the Farmers.

This wheat being made up of five and six Northern, is a much better quality than wheat is grader feed. A special price will be given to those loading direct from car. Give this wheat a trial and you will be well satisfied.

Still in the Ring.

Although we have neglected putting in our adv. this last few weeks we have not neglected our patrons, and we take this opportunity of thanking our customers, one and all, for your very liberal patronage during the past five months. We would ask for the continuation of the same, which will be very thankfully received. Don't forget when you want flour that Erskine handles as good as the best. Although we do not hang streamers across the streets or take up a column in the newspaper, we handle a flour that will speak for itself.

Wishing you all a very Happy New Year, I am your humble servant,

J. A. ERSKINE,
Grocer.

PREVENT TAKING COLD.

Often you come home cold and shivering—feet are wet, throat is raw, chest a little sore. A bad cold is just beginning. Put a Nerviline Porous Plaster on your chest, rub your throat with Nerviline, and take a stiff dose of Nerviline in hot water. This prevents a chill, and checks the cold instantly. No remedies so useful in the home, so sure to prevent serious illress as Nerviline and Nerviline Plasters. Sold by all dealers, 25c. each, but be sure you get the genuine, and refuse any substitute.

A. JONES, Markdale.

The Success of the Past.

Makes possible the bigger and better plans for the future. How much we depend on your help to make this business still bigger and how absolutely certain we feel of being able to serve you with dependable merchandise that for quality and value is second to none in Canada.

Two Special January Features.

We begin the New Year with two particular objects in view. The clearing of all Remnants, odd lines and left overs from the holiday rush, and the selling of Furs.

Selling Furs In January.

We have quite a large stock of Furs in all kinds and styles and we want to unload them right now. You have the winter before you, three or maybe four months of the coldest weather to make use of Furs, with an opportunity to buy at prices that makes buying easy and profitable. Come and see what we are doing. Ladies and Children's up-to-date Jackets 20 per cent off. Ready-made clothing for Men and Boys. For nice nobby suitings this is the place to buy. Boots and Shoes for Men, Women and Children. Also a nice fresh stock of GROCERIES always on hand.

Make a point to come in every time you're in town. We'll be pleased to see you.

DO IT NOW.

How things like to be petted I have a cat at home—a big lazy fellow—and how he will purr and arch his back when I stroke his shiny back or tickle him under the chin; and the soft eyes of my old dog grow big and sparkling when I say "good old fellow!" Yes all man's animal friends delight in the kind words and the loving pat. Well, man and his beast are alike in this matter. How we love the kind word and the loving expression! How disappointed we are when it doesn't come! We never admit it, but it's true nevertheless. In the parlor in a beautiful casket almost buried under a bank of pure blossoms, lies poor old "mother." "Father" can't let her go and Will and the girls have cried ever since she went away up home. How they praise her! What wealth of love they lavish on that cold clay! It's too late now; mother's dead. Long years she yearned for those words and a sign of your loving appreciation. None ever came—so she faded and died. The doctor said it was pneumonia; not so—a broken heart killed her. Keep not your loving deeds and kind words until I'm dead, but do and say them NOW.
