excellent sermon, choosing for his text Genesis 22:14.

The Sunday School entertainment, which was given Wednesday evening of last week, was quite a success. Owing to the condition of the roads the attendance was not as large as usual, but those who were present enjoyed a splendid program. An interesting number was a Japanese drill, given by three little ladies from Flesherton, Misses Wilson, Wright and Cornfield. Rev. Mr. Wilson, of Markdale, was also present and gave a very interesting address. The children deserve much credit for acting their parts so well in drills, choruses, recitations, etc.

(By another correspondent.)
