OIL FOR DOMESTIC WHEELS

Little Hints Which Will Help Save Wear and Tear in Households of the Land.

To make a candle burn longer, place salt around the wick up to the blaze. To take out chocolate and cocoa

stains, wash with soap in tepid Tea should always be kept in a

perfectly close vessel and in a dry place. When a cut will not heal, sat-

urate a piece of absorbent cotton with coal oil and bind on. A hot bath up to the neck may

save the life of a child in convul-

sions, if given at once. When hands are stained with blacking, wash first in kerosene, then with soap and water. An old coffee strainer may

hung over the sink and used catch tea and coffee grounds. Make it a rule never to throw out anything unless spoiled, and be sure nothing has a chance to

To make artificial snow, stick bits of cotton in glue and then dip in powdered mica or diamond

An excellent poultice for an inflamed cut or burn is made of parts of lard, flour, and

Ashes will clean vour sink, bath tubs, nickel, steel, oilcloth, wash tubs and the zinc on the gas stove. A small piece of wire screening tacked to an ironing board keeps the irons polished and free from

Rub sewing machine oil stains with lard, let, stand for several chased the house and lot at hours, then wash with dold water and soaps

Iodine spots may be removed by first washing the stained article with alcohol, then rinsing with soapy water.

To tighten the machine belt without removing it, put /a drop of machine oil on the belt and turn for a few seconds.

Hang a small bag in a handy place; put in every broken clothes for rattling window

For burning and atching feet, upon the itching places.

ng clothes by having two or three layers of asbestos wrapped around the wash boiler. Sprains should be treated as

quickhe as possible with hot water, after which the part affected should be rubbed with liniment. For sore throat, tak one glass of hot water, one teaspoonful of soda, and three drops of carbolic going) is the wonder of respect

acid. Gargle once every hour. people or those who suffer from him to go and he took the hint. indigestion. It should he 'taken

with the food whenever possible. If rice is to be a useful article of supply the want of natural fat.

Tops and outside pieces of celery washed and dried may be rubbed fine and make excellent seasoning for gravies, soups and dressings. Tiny Japanese or Chinese lan-

terns are considered safer to use on the Christmas tree than unpro. tected candles, suggests an exchange.

Save fuel by putting a small quantity of salt in the water in outer part of double boiler. Salt pened. water boils at a lower degree of

Immediately after table cloths come from the wringer, fold them, lay aside rolled in sheets for two or three hours, then iron while

English walnut shells, gilded, filled with very tiny dolls and tied with ribbons, should hang on the Christmas tree, and will please the little folk.

All puddings that should be smooth and creamy, such as custard, rice and tapioca, ought to

To cut sleazy or thin silks, which pull out of shape easily under a pattern, baste the edges of the conduct is deserving of severe pun-silk to a newspaper. Cut through the paper and silk.

Cleaning soap is more effective in powdered form. Shave a bar with a knife, which will powder it. Do you know that rheumatic Then put in an old salt shaker and

When the water-pipe freezes, unscrew the faucet so as to turn it upside down, put in a tablespoon-

The rich mellowness of the bes Mocha perfectly blended with the full flavored Java gives to

GREIG'S WHITE SWAN COFFEE

every quality that delights and satisfies. Our method of roasting develops and preserves all this rich flavor. We put it up in sealed parchment containers hot from the roasters and again seal it in tins so none of its delightful aroma is lost. White Swan Coffee. The Robert Greis Co., Limited, Toront

When window shades will not roll up, take the left hand end, roller from the socket while the shade is half way down and with the other end in place roll the shade up This tightens the springs.

Plain pieces, like towels, pillow slips and sheets will be smooth enough for all practical purposes f put through the clothes-wringer nstead of being ironed.

In making puddings of rice, wavs allow three hours of slow ooking. It is a good plan't steam rice for curry for if it boiled valuable parts are thrown away in the water.

DUNDALX

(From The Herald.) Mrs. A. Macpherson, Markdale is the guest of Mrs. E. G. Luca this week.

Mr. Geo. Leach has sold farm in Artemesia and has pu corner of Grev and Dovle streets in this village, belonging to Major Douglas, Shelburne.

Mr. Geo. Wood bought of M S. McCullough the house which the latter recently vacated on Main street. Mr. Wood only had the property a few days when he resold at an advance in price to Mr. W. T. Nethercut.
