

# Our Mid-Winter Clearing Sale of Men's Clothing Ends Wednesday, Jan. 29

And we certainly assure you that it was a success in every sense of the word. We reduced our stock to a size we wished it and we also demonstrated the fact that we can sell Men's Clothing—whether it's Ready-to-wear or Made-to-order—at less price than any house in Grey County. That's a big statement, but our customers will vouch for its truth. We were pleased to see how the people appreciated our efforts to give them Good Clothing at the least possible price. We are looking forward to a big Spring Trade, as the result of using our customers fair and square during the past year.

See our new SPRING TOPPERS, just arrived, \$10.50.

### How To Secure Farm Help.

#### S. A. Scheme of Immigration.

During the past four years the Salvation Army has succeeded in bringing to Canada a good class of Farm Laborers and Domestic Servants.

Notwithstanding the protest made in some sections of the country, that there is a surplus of labour, the Army Officials find there is still a great demand for agricultural labourers, and they have found it necessary to charter several ocean liners to supply the need. The call for farm labourers comes from all parts of the Dominion, and now that the Ontario Government has decided not to continue supplying farm help, and it is likely that immigration to Canada will not commence until late in April, the demand for settlers coming out under the Army auspices will be great. The first chartered ship will be the "Kensington," sailing from Liverpool on February 20th, for British Columbia points, followed by the "Southwark," on March 3rd, for Ontario points; the "Ionian," from Glasgow, and the "Kensington" from Liverpool on March 26th.

Farmers who have not made application for help for the coming season, are advised to write for Application Forms and further particulars to Lieut.-Colonel Howell, 20 Albert St., Toronto, Ont. The class of immigrants supplied by the Army has given good satisfaction throughout the country, and the experience they have had in the past years in this direction, will evidently qualify them for selecting suitable farm help this season.

### ROCKLYN.

Miss Maggie Gardner is quite ill of pneumonia.

Our rink opened Saturday evening, and the young people anticipate a pleasant winter.

Miss Annie Wiley spent Sunday with her parents, Mr. and Mrs. Wm. Wiley, Wodehouse.

We are pleased to learn that the infant son of Mr. F. Clark, who has been quite ill, has taken a decided change for the better. Rocklyn received no mail for almost a week recently. We surely think this will not occur soon again, as the fences are almost submerged and the storm has swept.

Mr. Craig, of the Toronto police force, was called up by illness of his wife, who is staying at the home of her brother, Mr. W. J. McKenzie. Mrs. Craig is convalescing nicely.

Death has again visited our vicinity, removing Mrs. McKenzie, a very old and highly respected resident of our township. Mrs. McKenzie's husband predeceased her some five years ago, but she leaves behind three sons, Messrs. W. J. George and Herbert, of Rocklyn, and three daughters, Mrs. English Cook, Mrs. Craig, Toronto, and Mrs. Wesley Thompson, of Rocklyn, who mourn the loss of a kind mother. The funeral will be conducted by the Rev. J. Wilkinson on Monday to Mt. Zion cemetery.

### WHO'LL BE INSPECTOR?

Orangeville, Jan. 28.—Dufferin County Council opened in the Court House here to-day. One of the chief items for consideration will be whether they will retain or dismiss Public School Inspector N. Gordon. At the last meeting of the Council that body asked him to resign, and it is understood that Mr. A. Steele, B.A., Principal of Orangeville High School, and Mr. T. E. Langford, M.A., principal of Shelburne High School, have each applied for the position, which carries with it a salary and fees amounting to \$1,800 a year.

### SHE HAD NOTICED.

The lady was addicted to bridge, and the clergyman tried gentle remonstrance.

"You cannot fail to have noticed the time wasted in playing cards," he said, mildly. "That's just what I have noticed," she replied. "I always fret at the time lost in shuffling and dealing."

### LATEST MARKET REPORTS.

#### TORONTO MARKETS.

Toronto, Jan. 29, 1908.

#### CATTLE.

The quality of cattle offered to-day was not as good as they should be at this season of the year—that is, if the farmers have been feeding them properly. Dealers reported no choice lots of pickled cattle to be had, although they were willing to pay \$5 per cwt. could they get properly finished cattle.

Exporters—There were none on sale, excepting bulls, which sold at \$3.60 to \$4.50 per cwt. Good steers are worth from \$5 to \$5.25 per cwt, and common kinds \$4.75. Butchers—The highest price quoted to-day for butchers was \$4.75. Loads of the best sold at \$4 to \$4.40; medium, \$3.75 to \$4; common, \$3.50 to \$3.75; cows, \$2.50 to \$3.75 per cwt.

Feeders and Stockers—H. & W. Murby report little doing, although they have orders on hand to fill. Messrs. Murby bought 40 feeders, 800 to 1000 lbs. each at \$3.30 to \$3.80 per cwt.

Milkers and Springers—There is a fair demand, owing to dealers from Quebec and Montreal being on hand. Prices ranged from \$30 to \$55 each.

Veal Calves—The market for veal calves is strong at \$4 to \$6.50 per cwt., with new milk-fed calves worth \$7 per cwt.

Sheep and Lambs—Export sheep, \$4 to \$4.40; lambs, \$4.50 to \$5.50, for common, and \$6 to \$6.40 per cwt., with \$6.50 for selected lots of ewes and wethers.

Hogs—Prices were as follows: Selects, \$5.40; lights and fats, \$5.15, and \$5.15 was quoted as the price to drovers at country points, f.o.b. cars.

"Isn't he a cute little darling?" said the fond mother, proudly exhibiting the cherb. "Yes," answered her bachelor brother, "He's funnier than one of these mechanical toys. You don't have to wind him up."

It's a fortunate thing for mankind that the fool killer is about three score and ten years behind with his work.

### HORSE DIED IN DRIFT.

Port Law, Jan. 28.—Some idea of the state of the country roads in this district may be gathered from this incident. Last week a farmer here named Osborne attempted to drive his horse down a side road. The animal became fast in the drifts and perished.

### NO LONG FARM ISOLATION.

Galt Reformer.—A farm house with a telephone is no longer wholly isolated, although out of sight of every neighbor, for they are all within call. The conditions of the market can be ascertained and goods bought and sold without leaving home, the doctor can be summoned without loss of time, and distant friends can be communicated with at pleasure. The benefits are self-evident, and in a sparsely-settled country, such as much of the Canadian west still is, they are simply enormous. The farmer on the prairie may not be out of sight of neighbors, but an hour's drive distant from the nearest. If he can speak to them, distance, so far as regards many purposes, is annihilated.

Mildmay, Bruce County, shipped two carloads of flour direct to Glasgow, Scotland.

### SATAN TERRIFIED.

There is as great genius displayed in advertising as in the higher branches of literature. No problem daunts the modern advertiser.

In the window of a little book store in Eighth Avenue, New York, was recently heaped a great pile of Bibles, marked very low, such a bargain, and above them all, in big letters, was the inscription: "Satan trembles when he sees Bibles sold as low as these."
