

Imported Spring Suits FOR MEN.

We have just received our first shipment of the finest Spring Suits that was ever offered to the gentlemen of Markdale for inspection. We are certainly proud of our choice and when you see them we feel confident that you will pardon our pride. We imported these goods direct from an English woollen house, that handle only the finest clothes that are made on the looms of Britain.

Now a point we wish to make is this, if you have been making a mistake all these years of buying your clothes from stores that don't understand the making of them, that will be one big failure chalked up against you. Better get right about this clothes business as early in life as you can. Its too important and too big an item to neglect. The absolutely right clothes, right in price, right in value, and right in taste, are right here for you, right where they are made.

Grey Old Boys

A Newspaper Man Won.

The Grey Old Boys Association held their annual "At Home" in Toronto on Friday night last and the event was a splendid success, judging by the following report of the occasion which appears in Saturday's Globe: "Grey County must have been nearly depleted of old boys and girls judging by the attendance at the seventh annual at-home, which was held in the metropolitan assembly rooms last evening. The early part of the evening was filled in with progressive euchre, about thirty tables playing. Extremely handsome prizes were given and after delicious refreshments were served, dancing was indulged in. The varied program provided amusement for all and the evening was thoroughly enjoyed by every one present, including the Hon. A. G. MacKay and Mayor Kennedy of Owen Sound, and I. B. Lucas, M. L. A., of Markdale. The genial President, Mr. Joe B. Clark, whose wit is proverbial, has the happy knack of making every one feel at home, and his efforts were ably seconded by the Vice-Presidents, Mrs. A. B. Milloy, J. W. Bates and W. A. Ellis, and the Hon. President, Jackson L. Little. Such well-known men as Dr. R. H. Henderson, J. W. Seymour Corley, F. S. Mearns, J. F. Wilson, W. H. Miller, W. Walsley, Thorpe Wright and Thomas Mason are the Hon. Vice-Presidents, while the Treasurer is Mr. James McBride, and Mr. T. A. Kirvan is Financial Secretary."

A case of some interest, especially to newspaper men, was tried in Division Court at Toronto Junction recently before His Honor Judge Morgan. The publisher of the Richmond Hill Liberal sued W. B. Gram, of Weston, for several years subscription. The plaintiff claimed that he had sent the paper in good faith and that he had never been notified to discontinue it. The postmaster at Weston was summoned as a witness to prove that some member of the defendant's family had taken the paper from the office regularly and had never been requested to return a copy to the publisher. The defendant claimed that he had verbally told the publisher several years ago to discontinue the paper, but that he himself had not taken the paper from the office. Judgement and costs for the plaintiff.

LATEST MARKET REPORTS.

TORONTO MARKETS.

Toronto, Feb. 26, 1908.

CATTLE.

Exporters—There was nothing doing in the export line, excepting a few bulls, which were sold at lower quotations, from \$3.50 to \$4.25 per cwt.

Butchers—Out of 1,418 cattle on sale there were only 16 that were reported as selling at \$5 or over; loads of good, \$4.65 to \$4.85, and there were few of this class; medium, \$4.25 to \$4.50; common, \$3.75 to \$4; good cows, \$3.50 to \$4; medium cows, \$3 to \$3.50; common cows, \$2.50 to \$3.

Milkers and Springers—Although there was a large number of milkers and springers on sale, the bulk of them were of common to medium quality, and these sold at lower quotations. There was a good demand for good quality cows. The best four cows on the market sold at \$59 each, and 36 others were quoted at \$40 to \$50 each. This goes to show that the best sold at fair prices. Common to medium cows sold all the way from \$30 to \$40 each, and inferior at \$25 to \$30 each.

Veal Calves—The prices paid last week had the effect of fetching in a lot of trashy, inferior calves that sold at lower prices, but good quality calves were in excellent demand. Inferior to common sold at \$3 to \$4.50 per cwt.; good at \$5.50 to \$6.50, and prime new milk fed calves at \$7 per cwt.

Sheep and Lambs—Export ewes, \$4 to \$4.75 per cwt.; yearling ewes and wethers sold at \$5 to \$5.25 per cwt.; rams, \$3.50 to \$4; lambs at \$5.50 to \$6.50 per cwt.; picked ewe and wether lambs at \$7 per cwt.

Hogs—Mr. Harris quoted the market easy at \$5.15 for selects, fed and watered, and \$4.90 at country points, l.o.b. cars, as the ruling prices.
