The services in the Methodist church on Sunday last were of very special interest and enjoyment. In the morning the pastor preached from Acts 2: 24 on "The Resurrection as a fact and a necessity." The choir provided choice and appropriate Easter music while the floral decorations, consisting of a profusion of Easter lilies and white carnations, were very fine and reflected great credit on the flower committee. In the evening the service was in the interests of the Woman's Missionary Society. Rev. J. C. Wilson was the preacher and very ably presented the claims of this organization. The musical part of the service was led by a large choir of ladies who acquitted themselves most creditably. Messrs. Roy and Lorne Carey, of Freelon, sang at both services. These young men are the happy possessors of splendid voices, well cultivated. They were exceedingly happy in their selections and greatly delighted the large congregations. ## MRS. (REV.) HUMPHREYS.

Many Standard readers have kind memories of the late Mrs. Humphreys, who resided in Markdale some 23 years ago, and afterwards for years in Pricerville. After a brave struggle for two years against declining health this noble spirit left the body on Thursday last, April 16, at Cookstown. Interment took place at Mount Pleasant cemetery, Toronto, on Saturday. Mr. and Mrs. Humphreys were married at Dartmouth, England, fourteen years ago. There they were born, grew up, and educated. Euphrasia circuit was then their first charge, and Markdale their first home in Canada. Deceased was a systematic, enthusiastic, unselfish church worker, and much beloved by all who came within the circle of her acquaintance, while her home was one of rare hospitality. Three sons, aged between four and 13 years, with their affectionate and devoted father, have the deep sympathy of a wide circle of friends.

## SHOW ME PROOF.

That is what Hyomei will do in all forms of Catarrh and Troubles of the Breathing Organs. It's not a question of Hyomei having cured someone else but will it reach your own particular case. If it's cold in the head, Catarrh, Bronchitis, Pneumonia, Croup or any affections of the breathing organs W. Turner & Co. say yes, and will refund the money if it fails. No other preparation for the same purpose can successfully do this, because the Hyomei system of treatment is different from anything else. You simply breathe and inhale its medication in the dry air form which destroys the germ life that causes oppressed breathing, Nasal Catarrh, Throat Irritation and Lung Troubles. It brings to these suffering organs the balsam laden air they would get in the Pine and Eucalyptus forests. The one that stamps out Bronchitis troubles. The prince of entertainers, Marshall P. Wilder says: Hyomei is easy to use and swift to cure. It insures against coughs and colds. It gives you pure air and kills the germ of disease. It helps the voice.
