## IN A BREATH THERE'S REST

Breathe Hyomei and be Cured of Catarrh, Bronchitis, Asthma.

Nature has a remedy for catarrh epidemic colds and bronchitis that is far better than dosing the stomach with medicine and drugs. It is the healing oils and balsams of Hyomei which medicate the air you breathe, reaching the most remote air cells in the nose, throat and lungs; killing all catarrhal germs and restoring health to the mucous membrane. Hyomei acts like a curative internal bath, and has the same healing and antiseptic effect as the air where the Pine and Eucalyptic forests give off their fragrant and healing balsams. Breathe the healing Hyomei and see how quickly you will get relief from catarrh and head colds. If it does not help you there will not be a penny's expense, as W. Turner & Co. agree to refund the money. The complete Hyomei outfit costs only \$1.00.

## Salvation Army Praise

It is my duty to testify to the benefit I have received from the use of Psychone, during special meetings I conducted in your fair city, which gradually opened into Bronchitis of the worst form. I was advised to try Psychone, which I did and after using bottles I was completely restored to health. I recommend this remedy to sufferers from and other troubles. I wish to add that my voice, once so weak, is stronger and more carrying power than it has ever had before, and the vocal cords are no longer inflamed. L.L.B. Capt. Salv'n Army, Toronto, Aug. 13, 1907.

Throat and stomach troubles Psychone, also incipient catarrh. All druggists, 50c and \$1.00. A. Bloccum Limited, Toronto.
