

Shears--Flynn.

The marriage of Miss Bertha Flynn, eldest daughter of Mr. and Mrs. Flynn, of Chatsworth, and Mr. J. W. Shears, of Owen Sound, was quietly celebrated at the home of the bride's parents on Wednesday, April 19, at high noon, by the Rev. Mr. Wellwood, pastor of the Methodist church. Both bride and groom were unattended. The bride, who was given away by her father, was gowned in cream silk and carried a bouquet of orange blossoms. After the ceremony a dainty luncheon was served. The happy couple left on the 3.30 train for their honeymoon, visiting Toronto, Buffalo and other American points. The bride's going away suit was of brown broadcloth with trimmings of silk and hat to match. The groom's gift to the bride was a handsome buffet. On their return they will take up their residence in Owen Sound.

DOCTORS REPORT

MANY CASES.

Say That Spring Fever is Prevalent. Patients Feel Drowsy, Dull, Dead Tired.

How provoking to sleep well, but when you awaken to find none of the exhilaration that rest and sleep should bring. You ought to be alert, bubbling over with vim, but instead of this there's dullness, languor and disinclination to do things.

Three causes for this sort of feeling—a lazy liver, lazy kidneys, and a lazy stomach, the last doing its work very poorly and compelling the organs to perform a task they are unequal to.

Note the consequence—blood is filled with waste matter—poisonous substances weighing down the nervous system—rebuilding processes absolutely impossible.

Take Ferrozone and note the rapid change. Your appetite improves and your digestion soon is as good as ever. Your skin has its natural color, the sense of languor and listlessness if not entirely gone, comes back only occasionally, and then disappears.

You see Ferrozone restores all the powers of the body to normal activity.

The reason you feel better is because Ferrozone is driving out all the 'poisonous' wastes from the body.

Ferrozone imparts to the blood that element that is necessary to render the air you breathe vitally active and strength-giving. In the old condition it simply acted on the surface. Now it enters deeply into all the activities of the body.

Now you know that Ferrozone stimulates appetite and makes rich red blood.

Now you feel that Ferrozone gives strength, endurance, vim.

Ferrozone clarifies the brain, imparts tone, and vigor to it, gives clearness and strength.

Your will power is as strong as ever, and your enjoyment of life has a new zest because so vigorously renewed.

As a bracing, uplifting tonic for men, women and children—as a medicine for anaemia, weakness or nervous troubles—nothing excels Ferrozone.

Try it, 50c a box or six for \$2.50, at all dealers.

To the Electors of South Grey

Gentlemen—It is reported that I have withdrawn from the campaign. Why such a report should be circulated is beyond my comprehension, unless the wish be Father to the thought. I wish it distinctly understood that I am a candidate for the representation of South Grey in the Legislature, and if elected will endeavor to give the closest attention to the affairs of the Province in general, and my Constituency in particular. It is my intention to conduct the campaign free from everything personal, of everything that will cast a reflection on myself, or the electors of the Constituency. If I cannot be elected by the aid of what is perfectly defensible, I do not wish to be elected. It is my wish to emphasize the moral side of politics and fight fair, so that when the election is over I can look back with satisfaction, knowing that I did not depreciate politics. I am, Respectfully Yours, NEIL McCANNEL.
